PURPOSE

It is the purpose of this agreement to carry out the personnel policy of the Town of Narragansett in encouraging a harmonious and cooperative relationship which will facilitate free and frequent communications between the Employer and employees of the Town of Narragansett. By means of this agreement, therefore, the signatories bind themselves to maintain and improve the present standards of service to the people of the Town of Narragansett and agree further that high morale and good personnel relations are essential to carry out this end. The employees, as individual members of the Union, are to regard themselves as public employees, and as such, they are to be governed by the highest ideals of honor, loyalty and integrity in all their public, personal and official relationships in order that they may merit the respect and confidence of the general public.

ARTICLE 1 - RECOGNITION

- 1.1** The Employer recognizes the Union as the sole and exclusive bargaining agent for all its employees except firemen, policemen, school department employees, managerial, supervisory, confidential, part-time, (under 20 hours per week) and seasonal employees (less than 120 working days per year) as certified in Rhode Island State Labor Relations Board Case #EE 1728, June 29, 1967 in all matters pertaining to hours, wages and working conditions.

- 1.2 The Town will provide the Union a record of all hours worked by temporary/seasonal employees.

ARTICLE 2 - NON DISCRIMINATION

- 2.1 The Employer agrees that it will not discriminate against, intimidate or coerce any employees in the exercise of their right to bargain collectively, through the Union or on account of their membership in, or activities on behalf of the Union.
- 2.2 The Union and the Town agree not to discriminate against a person seeking or holding membership therein on account of race, color, religion, creed, sex or political affiliation.

ARTICLE 3 - UNION SECURITY

- 3.1 The Employer agrees that as a condition of continued employment, all Union employees of the Town shall remain members in good standing of the Union for the duration of this agreement.
- 3.2 The Treasurer shall deduct weekly the Union dues from all employees who have submitted signed authorization cards. The amount of weekly dues shall be as set forth in the constitution of the Union. The Treasurer shall send the amount of dues monthly to Rhode Island Council 94, AFSCME, AFL-CIO, 1179 Charles Street, North Providence, Rhode Island 02904. The Union shall indemnify and save the Town harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken by the Town in reliance upon the Union's representation that its dues have been lawfully increased and in accordance with the Union's Constitution and by-laws or for the purpose of complying with any of the provisions of this article. The Union agrees that it will give the Town fourteen (14) calendar days notice of any change in Union dues or Agency Fee prior to effective date of change.
- 3.3 The Employer shall have the right to hire any additional employees who do not belong to the Union and such additional employees shall have the right not to belong to the Union.

3.4 All employees covered by this agreement and who have not or do not make application for membership shall, as a condition of employment, pay to the Union each month a service charge as a contribution toward the administration of this agreement in an amount equal to the regular monthly dues.

ARTICLE 4 - MANAGEMENT RIGHTS

4.1 **Management Rights** - The Union recognizes that, except as specifically relinquished or abridged by the express terms of this Agreement or applicable law including the obligation to bargain, all rights to manage, direct or supervise the Town's operations and its employees are vested solely in the Town. For the purpose of this Agreement, a past practice is accorded the equivalent force of express meaning within a contract only when the number of occasions of unvarying application over a reasonably extended time demonstrates a knowing and willing acceptance by both parties of a consistent and identical outcome. The Town pursuant to this Agreement has the right to:

- 1) Hire, discharge or discipline employees;
- 2) Introduce new or improved work methods, procedures, equipment or facilities;
- 3) Lay off employees;
- 4) Assign work by job description;
- 5) Control the types of work, amount of work, method of accomplishing work and scheduling of operations of the Town;
- 6) Determine the number of employees on any assignment and job content.

ARTICLE 5 - SENIORITY

5.1 The Employer shall establish a seniority list and it shall be brought up to date semiannually and the same shall be made available to the Secretary of the Union by the Town Manager.

5.2 The Employer agrees in principle with the concept of seniority which is based on length of employment and further agrees that this principle and ability should be applied unless

there are clear reasons to the contrary in individual instances with respect to:

- Promotional Appointment
- Preferred Shift Vacancies
- Any other questions of preference among employees that may arise but are not specifically mentioned hereinabove, including preference in overtime in relation to job classifications on a rotating basis.

5.3 In the event of a vacancy in any position, said vacancy shall be posted on a Union Bulletin Board for seven (7) days in order that employees have an opportunity to apply for the position. The Town Manager or his designee shall have the right to review the performance of said employee during the fifteen (15) working days in regards to their qualification of position. If said employee has not satisfactorily qualified for that position or if the employee chooses, the employee shall be placed in the last position the employee held. The Town of Narragansett is not required to post the vacant position until after the fifteen (15) working day review period. Any employee bidding into a clerk position, who is not currently a clerk, will be subject to the same testing as used to test new hires by management.

5.4 All new employees shall serve a six (6) month probationary period and at the completion of said period, the employee shall be permanent and seniority shall be retroactive to his or her first day of employment. A probationary employee may be terminated without recourse to the grievance procedure. All probationary employees shall be paid the probationary rate of pay. Notwithstanding the foregoing, the Town, at its option, may extend the probationary period from six (6) months to one (1) year for the purpose of allowing an employee to obtain a license or certification as required by his/her job description.

5.5 Seniority shall be considered lost for the following reasons:

- When an employee has been discharged for just cause;
- When an employee voluntarily terminates his or her employment;
- When an employee fails to respond to a recall notice;

- When an employee fails to report his or her absence from work within five (5) working days;
- When an employee fails to renew a leave of absence;
- When an employee is laid off in excess of eighteen (18) months from date of his or her most recent layoff;
- When an employee retires or is retired.

5.6 Should a grievance arise over the application of this article, by an appointing authority of the Employer, it shall be considered a grievance under the terms of this agreement and the use of the grievance procedure shall be applicable.

ARTICLE 6 - LAYOFF AND RECALL

6.1 In the event a permanent employee is laid off, his or her name shall be placed on a re-employment list by class of position and by division and shall remain on said list for a period of eighteen (18) months from the date of such layoff. A four (4) weeks notice of layoff shall be given to any employee so affected.

6.2 Seniority shall accrue to such employee while on the reemployment list. No new employee will be hired and no employee will be transferred into any class of position within a division until all employees on such reemployment list for that class and division have been recalled to work. Upon recall and pending the return to work of the recalled employee, the appointing authority may transfer another employee to the vacant position.

6.3 The Town Manager, or his or her designee, for the purpose of recall, shall send a registered letter to the last known address of the employee, unless actual personal contact can otherwise be made by the Town, and the employee shall have five (5) days from the date of the sender's receipt, or the personal contact, to reply to such recall. If a recall to work does not reasonably assure the employee of four (4) weeks of continuous work, a failure to accept will not be considered a refusal. Upon return to work, a recalled employee shall receive that salary which applies to the position to which he or she returns.

- 6.4 The Town shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide his or her department head with his or her current mailing address.

ARTICLE 7 - GRIEVANCE PROCEDURE

- 7.1 The purpose of the grievance procedure shall be to settle employee grievances including problems concerning working conditions on as low a level as possible and as quickly as possible to ensure efficiency and employee morale. This procedure also recognizes the right of any employee to discuss with his or her immediate supervisor and his or her Union representative any grievance or suggestions relative to his or her work. For the purpose of this article, a grievance is defined as a dispute or difference of opinion raised by an employee, or by a group of employees, covered by this agreement involving as to them or him or her the meaning, interpretation or application of the express provisions of this agreement.

It is recognized that no procedure can possibly foresee all situations that might occur. It is further recognized that this procedure will be effective only as the good faith of both parties is concerned. To this end, it shall be incumbent upon the parties to seek to settle all grievances and disputes that arise at the lowest level possible.

- 7.5** The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his or her decision within thirty (30) days after the conclusion of testimony and argument. Your Prescription Drug Plan

Blue Cross
Blue Shield

Your prescription drug plan divides all covered drugs into two different levels (tiers).

Tier 1 and Tier 2 drugs are listed in the Preferred Drug List, which can be found on **BCBSRI.com**.

		Coinsurance 30-day supply	Mail Order 90-day supply
Tier 1	Low cost generic drugs (mandatory)	20%	20%
Tier 2	Higher cost generic and preferred brand name drugs	20%	20%

Prescribed over-the-counter aspirin, folic acid, iron supplements, and smoking cessation medications purchased at a retail pharmacy are covered at 100% according to federal guidelines.

- Infertility drugs, including oral and injectable drugs, are covered with a 20 percent coinsurance.
- Coinsurance is based off the retail cost of the drug.

Filling Prescriptions

Network retail pharmacies. Our network includes approximately 64,000 retail pharmacies. Please visit BCBSRI.com for our participating pharmacy directory.

Mail order through CVS Caremark. You can order up to a 90-day supply of most non-maintenance medications and maintenance medications with a 20 percent copayment of the total retail cost.

- You can access CVS Caremark by logging in to BCBSRI.com. Select "Pharmacy" on the left hand side of your member homepage and follow the prompts from there.

- You can also call CVS Caremark at 1-866-329-3053 (TDD 1-800-231-4403).
- To request a mail order brochure, please contact BCBSRI Customer Service.

Out-of-Network Pharmacies

If you have a prescription filled at a non-participating pharmacy, you must pay for it in full at the time of purchase. You will be reimbursed at 50 percent of our allowance.

Generic Incentive

Some brand name drugs have generic equivalents. If a drug has a generic equivalent, your prescription drug plan covers the **retail cost** of the generic drug,

less your applicable coinsurance. If you choose to purchase the brand name drug, you will be responsible for the difference in cost between the brand name and its generic equivalent.

Saving Money on Prescription Drugs

Choose generic drugs. Generic drugs have the same active ingredients as their brand name equivalents, and are approved by the U.S. Food and Drug Administration (FDA). Ask your doctor if you can take a generic drug.

Choose over-the-counter drugs whenever possible. Over-the-counter drugs (OTCs) are medications that do not require a prescription. Most are less expensive than their prescription equivalents, but have the same active ingredients. Ask your doctor if an OTC drug is available for you.

Choose a lower-cost drug within the same class when appropriate. All drugs are grouped into classes, based on the medical conditions they treat. These drugs, though, are not necessarily in the same tier under your prescription drug plan. If you are taking a high-cost drug, there may be a less expensive alternative drug that is in the same drug class. Ask your doctor if a lower-cost alternative is available.

Half-tab program: With your physician's approval, you can have certain prescriptions filled at double the strength, get half the amount of pills and only pay half the amount of your drug copayment. You will be provided a pill splitter with this voluntary program and will take a half-tablet dosage instead of a whole pill. Consult with your physician to see if this practice is safe for the medications and dosages prescribed to you.

If you have any questions related to your prescription drug program, please call us at the appropriate number below.
