OFF SITE FIELD SURVEY

5R: Boston Neck Scenic Overlook

We left for the site about 6:30 PM. It had been freshly mowed, which made it easy to move about. There are trees and much wild growth impeding the view. We hope to get much of it removed, save for the stately Oak tree.

Mike Lapisky has not heard back from the State, concerning their decision of whether to give the land to us or lease it to us. That decision will impact what we can do.

We adjourned about 7:00 PM

Respectively submitted,

Kina King, Secretary
