

# South Road Elementary School Testing Site Information

Free asymptomatic COVID-19 testing is available for everyone (adults and children) at South Road Elementary School, 1157 South Road, South Kingstown, RI. Asymptomatic means that you are experiencing **NO** symptoms (e.g., cough, fever shortness of breath, etc.). Symptoms of COVID-19 can be found here: <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>. If you are having symptoms, you must be tested at another site.

Appointments are encouraged but not necessary. Walk-ins are welcome but those with appointments are prioritized when busy. Schedule an appointment at <https://portal.ri.gov> or by calling 401-222-8022.

Tests are PCR localized nasal swabs, not the high nasal tests.

Hours are Monday - Sunday 9:00 AM – 5:00 PM, except on holidays (check <https://covid.ri.gov/testing> for updates) and you must wear a mask. This is a walk in site, not a drive through site.

Results are typically available in 24-36 hours.
