## TOWN OF NARRAGANSETT

Town Hall • 25 Fifth Avenue • Narragansett, RI 02882-3699  
Tel. (401) 789-1044 TDD (401) 782-0610 Fax (401) 783-9637

### FINANCE DEPARTMENT

To the Citizens of the Town of Narragansett:

The annual comprehensive financial report of the Town of Narragansett, Rhode Island, for the fiscal year ended June 30, 2021, is hereby submitted as mandated by both state statutes and the Town charter. State laws require that all general purpose local governments publish within six months of the close of each fiscal year a complete set of financial statements presented in conformity with Generally Accepted Accounting Principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants licensed to practice in the State of Rhode Island.

This report consists of management's representations concerning the finances of the Town. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations management of the Town of Narragansett has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Town of Narragansett's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Town of Narragansett's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, I assert that, to the best of my knowledge and belief, this financial report is complete and reliable in all material respects.

The Town of Narragansett's financial statements have been audited by Bacon and Company CPAs, LLC, a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Town of Narragansett for the fiscal year ended June 30, 2021, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the Town of Narragansett's financial statements for the fiscal year ended June 30, 2021 are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of the Town of Narragansett was part of a

broader, federally mandated "Single Audit" designed to meet the special needs of federal grantor agencies. The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the audited government's internal controls and compliance with legal requirements, with special emphasis on internal controls and legal requirements involving the administration of federal awards. These reports are included in a separate Single Audit report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The Town of Narragansett's MD&A can be found immediately following the report of the independent auditors.

## **PROFILE OF THE GOVERNMENT**

The Town of Narragansett, incorporated as a town on March 28, 1901, is situated in Washington County, on the southeastern coast of the State of Rhode Island, approximately 30 miles south of Providence. It is bounded by Narragansett Bay and the Atlantic Ocean on the east; by the Atlantic Ocean on the south; by the Town of South Kingstown on the west; and the Town of North Kingstown on the north. The total area of the community is 18.3 square miles, which includes 4.4 square miles of inland water. The year-round population of the Town decreased from 15,686 persons counted in the 2010 census to 14,532 in the 2020 census. The actual population served is estimated to be approximately 10,000 persons higher with summer rentals and University of Rhode Island student and faculty rentals.

### **Government**

The Town operates under a charter form of government, which provides for a five member elected Town Council which is responsible for enacting local legislation; and an appointed Town Manager who executes the laws and the administration of the town government. The Town has a home-rule charter and operates under the Council-Manager form of government. The Town Council is elected by popular vote every two years and is responsible for, among other things, passing ordinances, adopting a budget, appointing committees, and hiring both the Town Manager and Town Solicitor. The Town Manager is responsible for carrying out the policies of the Town Council, for overseeing the day-to-day operations of the Town, and for appointing all other employees, except for School Department personnel.

The Town provides a full range of municipal services including public safety protection, the repair and maintenance of highways, streets, and other infrastructure, libraries, recreational activities, planning and zoning, education and administrative services. In addition, the Town operates water, wastewater, the Town Beach and the Middlebridge Recreation Area.

The annual budget serves as the foundation for the Town's financial planning and control. The Town Council is granted all powers to enact, amend or repeal ordinances relating to the Town's property, affairs and government as well as the authorization of the issuance of bonds or notes by ordinance, except that no bonded indebtedness may be incurred pledging the credit of the Town in excess of 1.5% of the budget in any one fiscal year unless submitted to a vote of the electors at either a general or special election and approved by a majority of the electors voting at said election.

## Education

The general administration of the Narragansett School System is directed by a five-member School Committee that is elected at large at the regular biennial elections for staggered four-year terms. The School Committee determines and controls all policies affecting the administration, maintenance, and operation of the public schools in the Town. The School Committee appoints a Superintendent as its chief administrative agent; submits a detailed budget of expenditures and revenue to the Town Council and, once the school budget has been approved, determines the allocation of the amount appropriated. The cost of operating the Town's School System for the fiscal year ended June 30, 2021 was \$29,339,207. The School Department budget for fiscal year ended June 30, 2021 is \$32,281,439 and the budget for fiscal year ending June 30, 2022 is \$33,209,079. The budgeted cost per student in the fiscal year ending June 30, 2021 was \$25,479 shared by the Town and the State of Rhode Island in the form of School Operations Aid. The Town has one elementary school, one middle school and one high school. As of October at the beginning of each school year, the student enrollment in the Narragansett School System for the past five years has been and is projected to be as follows:

<b>Fiscal Year Ending</b>	<b>Actual Enrollment</b>	<b>Fiscal Year Ending</b>	<b>Projected Enrollment</b>
2017_____	1,337	2022_____	1,252
2018_____	1,324	2023_____	1,200
2019_____	1,302		
2020_____	1,332		
2021_____	1,267		

## Municipal Services

The Town provides major public services which are detailed as follows:

### Wastewater Facilities

The Town has 20 sewage pumping stations and approximately 90 miles of sanitary sewers. Service for the southern portion of Narragansett, including the commercial fishing port of Galilee, is provided at the Town-owned Scarborough Wastewater Treatment Plant, a 1.4 million gallon per day (MGD) extended aeration plant. The South Kingstown Regional Treatment Facility provides wastewater treatment for the Pier area and the northern portion of the Town. Approximately 6,749 accounts are serviced by the Town. The annual rate for residential users is currently \$400 per unit. The Wastewater Division operates as an enterprise fund, with all operations funded from user fees and assessments.

### Water Facilities

The Town's Water Division is responsible for the treatment (i.e. chlorine injection) and conveyance of potable water for domestic, commercial, industrial and fire protection uses. All water used within the Town's system is purchased from SUEZ (formerly United Water of Rhode Island, a private company), or the Town of North Kingstown. In addition to its operational and maintenance activities related to the Town's water storage, transmission and conveyance systems and infrastructure, the Division provides technical assistance to the Town in reviewing water related plans or regulations. The Town owns, operates and maintains three water storage tanks, with a combined capacity of two million gallons, and approximately 85 miles of water mains. Approximately one-half of the Town's populated area (representing 5,395 accounts) is served by the Town water system, while service to the remaining citizens is provided directly by Suez

Water. The Water Division operates as an enterprise fund, with all operations funded from user fees and assessments.

#### *Public Works*

The Town's Public Works Department provides a full range of services including street constructions/maintenance, snow removal and maintenance of Town property and vehicles. The Public Works Department expended \$2,902,462 for fiscal year ended June 30, 2021 and budgeted \$3,360,925 and \$3,378,117 for the fiscal years ending June 30, 2021 and 2022, respectively.

#### *Public Safety*

Services include fire prevention, emergency medical rescue, police patrol, investigations, community education, dispatching, harbor patrol and animal control functions. The Narragansett Police Department has a force that consists of 54 full-time police officers and other support personnel. The Police Department expended \$7,546,890 for fiscal year ended June 30, 2021 and budgeted \$7,932,628 and \$8,259,652 for the fiscal years ending June 30, 2021 and 2022, respectively. The Town has three fire stations staffed by 34 full-time fire fighters. The Fire Department expended \$6,052,696 for fiscal year ended June 30, 2021 and budgeted \$6,205,221 and \$6,591,812 for the fiscal years ending June 30, 2021 and 2022, respectively.

#### **Employee Relations**

As of June 30, 2021, the Town employs 173 full-time employees exclusive of those employed by the School Department. The School Department employs 149 teachers, 34 aides and approximately 67 support and administrative staff.

The current status of union contracts for municipal and school employees is as follows:

Police Department - 3 year contract expires June 30, 2022

Public Works & Municipal Clerical - 3 year contract expires June 30, 2023

Fire Department - 3 year contract expires June 30, 2024

Municipal Middle Management – 3 year contract expires June 30, 2023

Teachers - 3 year contract expires August 31, 2021 with a one-year extension

School Dept. Non-Certified - 3 year contract expires June 30, 2021 with a one-year extension

#### **Retirement Programs**

The Town has a contributory pension plan covering substantially all of its employees. The retirement plans for policemen and municipal employees are administered by Town officials. The retirement plan for teachers is administered by the State of Rhode Island Retirement Board.

#### *The Town Plan*

The Town contributes to the Town Plan, a single employer public employee retirement plan established in accordance with the Town Charter. The Plan is considered part of the Town's financial reporting entity and is included in the Town's annual financial report. All permanent, regular and probationary status employees who work for at least five months of a year and for at least twenty hours per week are eligible to participate in the Town Plan, a single-employer defined benefit pension plan, except as follows: School System employees who have been, are, or will be eligible for membership in the Employees' Retirement System of Rhode Island and any police officer covered under the Police Plan who has refused to join the Town Plan. The Town Plan was established by the Town in accordance with Town Ordinance. The Town Plan is included in the Town's financial statements as a pension trust fund.

### *Police Plan*

The Town contributes to the Police Plan, a single-employer public employee retirement plan. The Police Plan is considered part of the Town's financial reporting entity and is included in the Town's annual financial report as a pension trust fund. There are no active participants, and the Police Plan is closed to new entrants. All members of the permanent Police Force who were hired prior to July 1, 1978 and refused the September 1984 offer to join the Town Plan were eligible to participate in the Police Plan. All other policemen are covered by the Town Plan.

### *School Teachers' Retirement Plan*

Town certified school personnel participate in the Rhode Island Retirement System, a statutory, mandatory, statewide, cost-sharing, multi-employer defined benefit plan, which first covered State teachers on July 1, 1949. This Teacher's Retirement System is administered as a unified statewide system by the State Retirement Board, the composition of which is set forth in the pertinent State statute. The assets are held in the custody of the State Treasurer as an undivided single fund.

### *Defined Contribution Plan for ERSRI Participants*

The Rhode Island Retirement Act of 2011 changed the defined benefit plan to a hybrid plan which includes a defined contribution plan. The State selected TIAA-CREF to administer the plan. Certain employees in ERSRI are required to participate. ERSRI employees contribute 5% of their annual salary into the defined contribution plan, and the Town must contribute between 1% and 1.5% of salary. Participants have a selection of investments options chosen by the State and provided by TIAA-CREF.

## **Other Post-Employment Benefits**

### *Town Plan*

The Town administers a single-employer, defined benefit post-employment benefit plan. The plan provides medical, dental and life insurance for eligible retirees and their dependents through the Town's group insurance plans, which cover both active and retired members. Benefit provisions are established and amended by the union contracts through negotiations between the Town and the respective unions or as established by the Town Ordinance for non-union employees. On August 1, 2011 the Town Council authorized the creation of an OPEB Trust Fund. As such, the plan has been reported as a Trust Fund in the Town's financial statements in fiscal year 2013.

### *School Plan*

The Narragansett School System administers a single-employer, defined benefit post-employment benefit plan. The plan provides medical, dental and life insurance for eligible retirees and their dependents through the School System's group insurance plans, which cover both active and retired members. Benefit provisions are established and amended by the union contracts through negotiations between the School System and the respective unions or as established by employee contract for non-union employees.

**Long-term capital financial planning.** As a part of the annual budget process, the Town Manager prepares and presents a capital improvement plan. This plan identifies costs and financing methods for those capital projects that the Town anticipates funding over the next six years. The plan provides for the needs of the general government and addresses such issues as infrastructure, major equipment replacement, school facilities where bonding is required, public safety, recreation and open space purchases. Other school capital planning is

completed for a five-year plan and is reviewed with the school annual operating budget process.

**Cash management policies and practices.** It is the policy of the Town to invest funds in a manner which will provide the highest investment return, with the maximum amount of security while meeting the daily cash flow needs of the Town and conforming to all state statutes governing the investment of municipal funds. Cash temporarily idle during the year was invested in insured cash sweep accounts, CDAR's, certificates of deposit, obligations of the U.S. Treasury and money market mutual funds. In addition, some trust funds held corporate stocks and bonds in their investment portfolios. Investment income includes appreciation in the fair value of investments. Increases or decreases in fair value during the current year, however do not necessarily represent trends that will continue; nor is it always possible to realize such amounts, especially in the case of temporary changes in the fair value of investments that the government intends to hold to maturity.

**Risk management.** The Town is a member of the Rhode Island Inter-Local Risk Management Pool. The cooperative pool was formed in 1986 to address the insurance needs of Rhode Island municipalities. Narragansett became a member on July 1, 1988. The pool provides all property, liability and worker's compensation insurance policies for the Town. Property and liability claims are subject to a \$2,500 deductible with the exception of public officials' liability claims, which are subject to a \$5,000 deductible. The pool's self-insured retention levels range from \$10,000 to \$1,000,000 depending on the type of coverage provided. In addition to the self-insurance provided by the pool, there is also reinsurance through third party sources for claims up to \$5,000,000. In addition to the insurance coverage provided, the pool also provides various educational and training seminars to promote safety training and loss control efforts.

## **ACKNOWLEDGEMENTS**

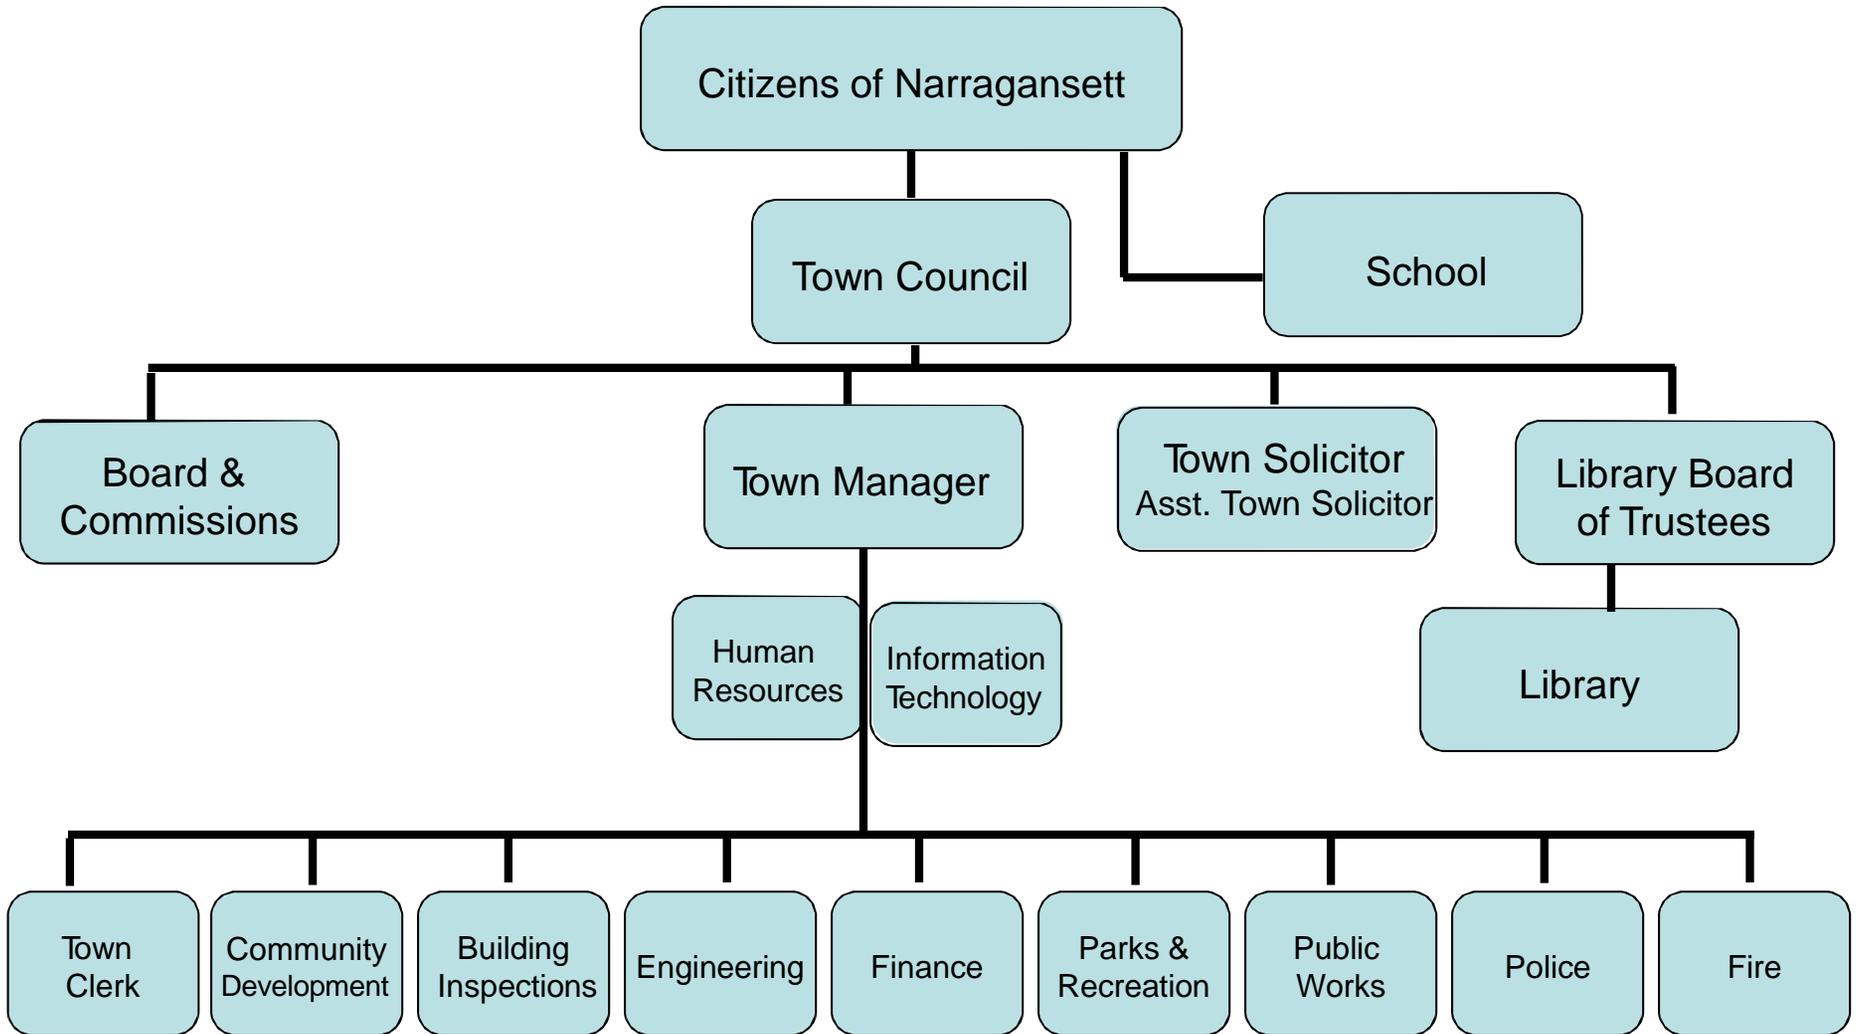

The preparation of this report was made possible by the efficient and dedicated services of the entire staff of the Finance Department. I sincerely appreciate their efforts in assisting me with preparing this comprehensive annual financial report.

In closing, I would like to express my appreciation to the Town Manager, James Tierney and the Town Council for their interest and support in planning and conducting the financial operations of the Town in a responsible and progressive manner.

Respectfully submitted,

Christine A. Spagnoli  
Finance Director

### **Independent Auditor's Report**

To the Honorable President and  
Members of the Town Council  
Town of Narragansett, Rhode Island

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Narragansett, Rhode Island, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Town of Narragansett, Rhode Island's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Narragansett, Rhode Island, as of June 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Emphasis of Matter***

As discussed in Note 1 and Note 17 to the financial statements, the Town of Narragansett, Rhode Island implemented GASB Statement No. 84, *Fiduciary Activities*, during fiscal year 2021. Our opinions were not modified with respect to this matter.

### ***Other Matters***

#### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, budgetary comparison information, and supplementary pension and other postemployment benefit information on pages 4 through 13 and pages 82 through 100 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### ***Other Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Narragansett, Rhode Island's basic financial statements. The combining nonmajor fund financial statements, the combining fiduciary fund financial statements, Annual Supplemental Transparency Report (MTP2), other supplementary information, and the introductory and statistical sections are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor fund financial statements, the combining fiduciary fund financial statements, Annual Supplemental Transparency Report (MTP2), and other supplementary information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such

information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor fund financial statements, the combining fiduciary fund financial statements, Annual Supplementary Transparency Report (MTP2), and other supplementary information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

#### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 3, 2022 on our consideration of the Town of Narragansett, Rhode Island's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town of Narragansett, Rhode Island's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Narragansett, Rhode Island's internal control over financial reporting and compliance.

*Bacon & Company CPAs, LLC*

Warwick, Rhode Island

## MANAGEMENT'S DISCUSSION AND ANALYSIS

As Finance Director for the Town of Narragansett (the Town), the following narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2021 (FY 2021) has been prepared. The Town administration encourages all to consider the information presented herein in conjunction with the additional information furnished in the *Letter of Transmittal*, which can be found at the beginning of this report.

### Financial Highlights

At the end of the current fiscal year, the total fund balance for the General Fund was \$24,342,743 or 39.5% of the total 2021 budgeted revenues. This is an increase of \$4,846,088 from the prior year fund balance.

The total unassigned fund balance of the General Fund is \$14,685,422 or 23.8% of the total 2021 budgeted revenues. This is an increase of \$5,897,046 from the prior year unassigned fund balance.

The total assigned, committed, restricted or nonspendable fund balance of the General Fund is \$9,657,321. This is a decrease of \$1,050,958 from the prior year total assigned, committed, restricted or nonspendable fund balance.

The Town General Fund ended the fiscal year 2021 with a budgetary operating surplus of \$3,162,763 with zero use of Unassigned Fund Balance.

As reported in the government wide financial statements, the assets and deferred outflows of resources of the Town of Narragansett exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$44,259,946. The Town's capital asset base has been developed from both the current operations and debt. The Town has recorded its property and equipment at original values in order to insure proper asset management.

The Town's total net position increased by \$9,315,892 for the fiscal year ended June 30, 2021.

### Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements are comprised of three components:

1. Government-wide financial statements: The *government-wide financial statements* are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.
  - a. *Statement of Net Position*: This statement presents information on all of the Town's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the difference between the two reported as *net position*. Increases or decreases in net position may serve as a useful indicator of an improving or deteriorating financial position.

## MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

### Overview of the Financial Statements (Continued)

- b. *Statement of Activities*: This statement presents information showing how the government's net position changed during the reporting period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (such as uncollected taxes and earned but unused personnel leaves).
- c. Both of the government-wide financial statements distinguish functions of the Town that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the Town include general government, education, public safety, public works and highway, community development and recreation. The business-type activities of the Town include Water, Sewer, Beach and the Middlebridge Recreation Fund operations.

The government-wide financial statements can be found on pages 14 and 15 of this report.

2. Fund financial statements: A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town may be divided into three categories: governmental funds, proprietary funds and fiduciary funds.
  - a. *Governmental Funds*: *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. This information may be helpful in evaluating the Town's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. Thus, the long-term impact of the government's near-term financing decisions becomes apparent. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

Funds are classified as "major" and "nonmajor." Data from major governmental funds is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures and changes in fund balances. Data from the nonmajor funds is combined into a single, aggregated presentation. Individual fund data

## MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

### Overview of the Financial Statements (Continued)

for each of these nonmajor governmental funds is provided in the form of *combining statements* and can be found on pages 101-108 of this report.

The Town adopted annual budgets for its General Fund, Water Fund, Sewer Fund, Beach Fund, and Middlebridge Recreation Fund. The School Committee adopts a budget for the operation of the Town's three schools. Budgetary comparison statements have been provided for the General Fund to demonstrate compliance with this budget.

The basic governmental funds financial statements can be found on pages 16-19 of this report.

- b. *Proprietary Funds*: The Town maintains two types of proprietary funds.

*Enterprise Funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The Town uses enterprise funds to account for its Water, Wastewater, Middlebridge Recreation and Beach operations.

*Internal Service Funds* are used to report activities that provide supplies and services for the Town's other programs and activities. The Town uses the Internal Service Fund to account for the self insured healthcare program.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water, Wastewater, Middlebridge Recreation and Beach operations, all of which are considered to be major funds of the Town.

The proprietary fund financial statements can be found on pages 20-23 of this report.

- c. *Fiduciary Funds*: Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The fiduciary fund financial statements can be found on pages 24-25 of this report.

- 3. Notes to the financial statements: The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The notes to the financial statements can be found on pages 26-81 of this report.

## MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

### Overview of the Financial Statements (Continued)

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information comparing budget to actual revenues and expenditures for the General Fund, and concerning the Town's progress in funding its obligations to provide pension and other postemployment benefits to its enrolled employees. Required supplementary information can be found on pages 82-100 of this report.

### Government-wide Financial Analysis

*Net Position:* As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Town, the government-wide assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$44,259,946 at the close of this reporting period.

The Town's net position consists principally of its investment in capital assets (that is, land, buildings, machinery and equipment); less any related debt used to acquire those assets that are still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

## MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

### Government-wide Financial Analysis (Continued)

At June 30, 2021, the Town is able to report positive balances in both categories of net position for its business-type activities. For governmental activities, the deficit in the Town's unrestricted net position decreased, due principally to the impact of fiscal 2021 capital asset and long-term liability transactions and the resulting effect on unrestricted net position.

*Governmental Activities:* Governmental activities increased the Town's net position by \$10,075,167.

## MANAGEMENT’S DISCUSSION AND ANALYSIS (CONTINUED)

### Government-wide Financial Analysis (Continued)

Property taxes levied for FY 2020-2021 based on the December 31, 2019 grand list increased by \$1,257,778 to \$54,889,286 from the amount levied for 2019-2020 of \$53,631,508. This was an increase of 2.35%, below the State mandated cap increase of 4%, which is the maximum allowable increase permitted under state law. Chapter 253 of the Public Laws of 2006 (known as Senate 3050) entitled “Relating to Taxation – Property Taxes” modified the calculation of the property tax cap beginning in fiscal year 2008, changed the criteria for exemptions from the property tax cap, limited the increase that School Committees could request from municipal funds in their annual budget proposal and amended the definition of “state mandates.” The statewide property tax cap became effective on July 1, 2007. This cap limited the property tax levy increase to 5.25% in fiscal year 2008 and set in place a .25% reduction for each successive fiscal year until fiscal year 2013, when the cap will be set at 4.0%. The amount of current year taxes to be collected for FY 2021 was \$54,174,603 which was based on a rate of collection of 98.7%. Current year collections were \$54,471,495 compared to the budgeted amount of \$54,174,603, an increase of \$296,892 or 0.5%.

*Business-type activities:* Business-type activities decreased the Town’s net position by \$759,275. Key elements of the increase are as follows:

- a. Water Fund: The net position of the Water enterprise is up \$113,367 or 1.9%.
- b. Sewer Fund: The net position for the Sewer enterprise is down \$1,122,630 or 4.2%.
- c. Beach Fund: The net position for the Beach enterprise is up \$182,603 or 1.8%.
- d. Middlebridge: The net position for the Middlebridge Fund is up \$67,385 or 4.9%.

### Financial Analysis of the Town’s Funds

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

*Governmental funds:* The focus of the Town’s *governmental funds* is to provide information on near-term inflows, outflows and balances of *spendable* resources. Such information is useful in assessing the Town’s financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government’s net resources available for spending at the end of the fiscal year.

As of the end of the reporting period, the Town governmental funds reported combined ending fund balances of \$30,971,936. Approximately 47% of this total amount or \$14,536,208 constitutes *unassigned fund balance*, which is available for spending at the Town’s discretion.

The General Fund is the chief operating fund of the Town. At the end of the current fiscal year, *unassigned* fund balance of the General Fund was \$14,685,422, while total fund balance was \$24,342,743. As a measure of the General Fund’s liquidity, it may be useful to compare both *unassigned* fund balance and total fund balance to total fund expenditures and transfers. Unassigned fund balance of \$14,685,422 represents 22.9% of total General Fund expenditures and transfers of \$64,258,659, while total fund balance represents 38% of the same amount.

## MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

### Financial Analysis of the Town's Funds (Continued)

The Town's General Fund – Fund Balance increased by \$4,846,088 due to several reasons; reimbursement for COVID-19 expenditures through FEMA, and to the net between the lower expenditures in the operating budget of \$2,037,991 and higher revenues than budgeted of \$1,124,772, with \$0 use of of fund balance in the Town general fund. There is a school operating surplus of \$1,687,759.

*Proprietary funds:* The Town's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

- a. Water Fund: The unrestricted net position of the Water Fund at June 30, 2021 was \$3,236,369.
- b. Sewer Fund: The unrestricted net position of the Sewer Fund at June 30, 2021 was \$3,052,888.
- c. Beach Fund: The unrestricted net position of the Beach Fund at June 30, 2021 was \$4,052,298.
- d. Middlebridge Fund: The unrestricted net position of the Middlebridge Recreation Fund at June 30, 2021 was \$99,275.

### General Fund Budgetary Highlights

The general fund operating budget shows an operating surplus of \$3,162,763. This represents 5.1% of the \$61,617,415 budget as approved by the Town Council. The surplus is a result of many factors.

- a. Due to the strong follow-up effort on the late payment of current taxes, property tax collections were strong throughout the year. Collections were \$54,819,192 and exceeded the budget amount of \$54,424,603 by \$394,589.
- b. The Town received \$466,750 in COVID-19 CARES Act funding to assist in the expenditures related to the COVID-19 pandemic.
- c. The Town's other State-shared revenues for beach parking fees, hotel tax and the meal tax were budgeted at \$823,261 while \$1,071,044 was received or \$247,783 more than budgeted.
- d. COVID-19 pandemic reimbursements from FEMA were \$338,006.
- e. In spite of the continuing pandemic and the low interest rates, the home improvement and housing market heightened, total user charges, permit fees, and licenses was \$502,540 more than the budget estimates of \$688,753. As well as, building permits were \$124,337 more than budgeted.
- f. The salary and benefits for staff were budgeted at a higher amount than actual due to two unions (Local 1033 and Local 1179) and Senior Management foregoing any salary increase during the COVID-19 pandemic uncertainties, as well as staff reduction and a hiring freeze. This resulted in an approximate surplus of \$1,013,905.

The general fund operating budget was amended by \$441,103 in supplemental appropriations. The supplemental appropriation was to re-establish prior years funding amounts for the Maury Loontjens Memorial Library.

## MANAGEMENT’S DISCUSSION AND ANALYSIS (CONTINUED)

### Capital Assets and Debt Administration

1. Capital assets: The Town’s investment in capital assets for its governmental and business-type activities as of June 30, 2021 amounted to \$134,170,371 (net of accumulated depreciation). This investment in capital assets includes land, buildings and system improvements, machinery and equipment, park facilities, roads and bridges. The total decrease in the Town’s investment in capital assets, net of accumulated depreciation, for FY2021 was \$787,509, or .58% (a .42% decrease for governmental activities and a 1.08% decrease for business-type activities).

#### Town of Narragansett’s Capital Assets (Net of accumulated depreciation)

2. Debt administration: At the end of the fiscal year, the Town’s governmental activities had total bonds, notes and capital leases outstanding of \$25,734,973, all of which is backed by the full faith and credit of the Town. Total debt increased from a \$2,800,000 General Obligation Bond addition and decreased from retirements of \$2,053,363 during FY 2021.

The Town was upgraded from an “AA” rating to “AA+” from Standard & Poor’s and an “Aa2” from Moody’s for general obligation debt.

#### Town of Narragansett’s Outstanding Debt Bonds, Notes and Capital Leases (In thousands)

## MANAGEMENT’S DISCUSSION AND ANALYSIS (CONTINUED)

### Capital Assets and Debt Administration (Continued)

Except as provided below, under Rhode Island general laws, the Town may not, without special statutory authorization, incur any debt which would increase its aggregate indebtedness not otherwise excepted by law to an amount greater than 3% of the taxable property of the Town. Deducted from the computation of aggregated indebtedness is the amount of any borrowing in anticipation of taxes authorized by law and the amount of any sinking funds maintained by the Town. The 3% debt limit of the Town is \$151,260,565 based on net assessed valuations of \$5,042,018,830 as of December 31, 2019. As of June 30, 2021, the Town had \$150,861,565 of debt that could be issued under the 3% debt limit provision.

The Town is guided by a Debt Policy, adopted by a prior Town Council, which places internal limits on the amount of General Fund debt the Town may undertake. These restrictions are:

Debt Issuance Ratios	Limitation
Debt Service as a Percentage of Operating Budget	7% of Operating Budget Expenses
Outstanding Debt as a Percentage of Assessed Valuation	2.5% of assessed valuations
Debt Service as a Percentage of Maximum Allowable Tax Levy	8% of Maximum Allowable Tax Levy
Outstanding Debt Per Capita	\$2,500 per capita

Current general obligation debt for Governmental Activities of \$25,703,268 and debt service of \$2,879,590 for FY 2021 equates to the following (excludes capital leases, compensated absences, pollution remediation obligations and pension and OPEB obligations):

4.67% Debt service as a Percent of the Operating Budget (FY 2021 budget was \$61,617,415 while debt service was \$2,879,590).

.51% Outstanding general obligation debt as a percentage of Net Assessed valuation \$5,042,018,830

5.25% Debt service as a percent of net tax levy of \$54,889,286

\$1,769 Outstanding general obligation debt per capita of 14,532

As can be seen, the Town is well within the Debt Policy Guidelines.

### MAXIMUM TO STAY WITHIN DEBT LIMITS

	LIMITS	CURRENT	
Debt service at 7% of operating budget	\$4,313,219	\$ 2,879,590	66.8%
Debt at 2.5% of assessed value	\$126,050,471	\$ 25,703,268	20.4%
Debt service at 8% of the tax levy	\$4,391,143	\$ 2,879,590	65.6%
Debt per capita at \$2,500	\$2,500	\$ 1,769	70.8%

The approval of a bond authorization for a new library in the amount of \$5.8 million for the purpose of a new library building is moving forward. The Pier Market building which had been purchased for a total of \$2,800,000 for a new library sight. A bond was issued February 2021 in the amount of \$2,800,000 to reimburse the Town’s General Fund advancement. This leaves a balance of \$3,000,000 to be issued for the construction of the new library.

## MANAGEMENT’S DISCUSSION AND ANALYSIS (CONTINUED)

### Subsequent Fiscal Year 2021-2022 Budget and Tax Rates

The Town of Narragansett’s total general fund budget for fiscal year 2021/2022 is \$63,378,162, which reflects a minimal increase of \$1,760,747 from the fiscal year 2020/2021 budget. The Town’s tax rates for fiscal year 2021/2022 are residential real estate \$8.86 per thousand of valuation, commercial real estate and property \$11.96 per thousand of valuation, and motor vehicles \$16.46 per thousand of valuation over \$6,000 with the State 5 year phase out planned for the motor vehicle tax.

### Economic Factors and Next Year’s Budget and Rates

**Other subsequent events.** COVID-19 (Coronavirus Disease 2019) is a new respiratory disease caused by a novel coronavirus that has not previously been seen in humans. On March 9, 2020, the Governor of the State declared a state of emergency to support the State’s response to the outbreak of the virus and on April 8, 2020, the Governor extended the state of emergency until May 8, 2020. On March 11, 2020 the World Health Organization declared COVID-19 a pandemic. On March 13, 2020, the President declared a national emergency due to the outbreak, which has enabled disaster funds to be made available to states to fight the pandemic. The Town, in consultation with the Rhode Island Department of Health, is actively monitoring the spread of the virus. The Town Manager/Commissioner of Public Safety, effective March 16, 2020, required all Town buildings to be closed to the public and offer options such as, appointments to conduct business, drop box and enhanced on-line access. The Town is adhered to these actions by strictly following the public health recommendations of social distancing guidelines and limiting public gatherings. As the State restrictions were lifted the Town slowly opened some recreational facilities, i.e. beaches and the Senior Center. In doing so, the Town made every effort to open in a safe manner by following the recommendations by the State on safely reopening. On July 27, 2020, the Town opened all public buildings with enhanced cleaning and safety protocols to protect the Town staff and residents. In addition, the Town hired a “Safety Greeter” to meet all visitors with a temperature check, contact information and health-screening checklist to monitor access to Town Hall. Currently, the Town is following the current CDC guidelines. The Town Manager/Commissioner of Public Safety has issued numerous communications to both Town staff and residents regarding protocols that should be used to try to keep everyone as safe as possible to stop the spread of the virus. The Town does not expect that Town services will be materially impacted. Through the challenges the Town has faced during this pandemic, FY2021 finished in a surplus condition of, \$3,162,763. This was accomplished mainly from reimbursement for COVID-19 expenditures through FEMA, to the net between the lower expenditures in the operating budget of \$2,037,991 and higher revenues than budgeted of \$1,124,772, the continued persistence in monitoring of the budget, and the Town’s Tax Collection rate remained well above 98%.

The State of Rhode Island passed a new tax law phasing out the local authority to tax motor vehicles R.I Gen. Laws 44-34.1 Article 11 of 2017-H 5175 Sub A. This is a five-year phase out with FY 2017/2018 as the first year of implementation of this law. The State will reimburse the reduction of the revenue to the Town.

### Requests for Information

This financial report is designed to provide a general overview of the Town’s finances for all those with an interest in the government’s finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to:

Director of Finance  
Town of Narragansett  
25 Fifth Avenue  
Narragansett, RI 02882

## **BASIC FINANCIAL STATEMENTS**

### **THE BASIC FINANCIAL STATEMENTS INCLUDE:**

**Government-Wide Financial Statements**

**Fund Financial Statements:**

- **Governmental Funds**
- **Proprietary Funds**
- **Fiduciary Funds**

**In addition, the notes to the financial statements are included to provide information that is essential to a user's understanding of the basic financial statements.**

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Reconciliation of the Governmental Funds Balance Sheet**  
**to the Government-Wide Statement of Net Position**  
**June 30, 2021**

<b>Total Fund Balances - Total Governmental Funds</b>	<b>\$ 30,971,936</b>
 <i>Amounts reported for Governmental Activities in the Statement of Net Position are different because:</i>	
Capital assets used in governmental activities are not current financial resources and therefore are not reported in the Governmental Funds Balance Sheet. See note 2 to the financial statements.	100,643,897
Other long-term receivables are not available to pay for current period expenditures and, therefore, are reported as deferred inflows of resources in the Governmental Funds financial statements.	288,432
Delinquent taxes are recognized as revenue in the period for which levied in the Government-Wide financial statements, but are reported as deferred inflows of resources in the Governmental Funds financial statements.	297,716
Interest payable on long-term debt does not require current financial resources. Therefore, interest payable is not reported as a liability in Governmental Funds Balance Sheet.	(161,827)
Deferred pension and other post-employment benefit amounts are not reported in the Governmental Funds financial statements, but are reported in the Government-Wide financial statements as follows:	
Deferred outflows of resources	16,185,305
Deferred inflows of resources	(19,193,544)
Long-term liabilities (including bonds, notes, loans, and capital leases payable, compensated absences, pollution remediation obligations, net pension liabilities and net other post employment benefit liabilities) are not due and payable in the current period and therefore are not reported in the Governmental Funds Balance Sheet. See note 7 to the financial statements.	(131,184,034)
Deferred amounts on refunding are not reported in the Governmental Fund financial statements, but are reported net of accumulated amortization as deferred outflows of resources in the Government-Wide financial statements.	235,867
The Internal Service Fund is used by management to charge the costs of Health and Dental Insurance to individual funds. The assets and liabilities of the Internal Service Fund are included in Governmental Activities in the Government-Wide Statement of Net Position.	2,894,201
 <b>Net Position of Governmental Activities</b>	 <b>\$ 977,949</b>

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and**  
**Changes in the Fund Balances to Government-Wide Statement of Activities**  
**For the Year Ended June 30, 2021**

<b>Net Changes in Fund Balances - Total Governmental Funds</b>	<b>\$ 6,943,839</b>
<b>Amounts reported for Governmental Activities in the Statement of Activities are different because:</b>	
Governmental Funds financial statements report capital outlay as expenditures. However, in the Government-Wide Statement of Activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount of capital asset additions recorded in the current period.	4,484,663
Depreciation expense on capital assets is reported in the Government-Wide Statement of Activities, but does not require the use of current financial resources. Therefore, depreciation expense is not reported as an expenditure in Governmental Funds financial statements.	(4,905,488)
Long-term compensated absences are reported in the Government-Wide Statement of Activities, but do not require the use of current financial resources. Therefore, long-term compensated absences are not reported as expenditures in Governmental Funds financial statements. This is the amount of the change in long-term compensated absences in the current period.	(355,299)
Debt and capital lease proceeds provide current financial resources to Governmental Funds, but issuing debt and capital leases increases long-term liabilities in the Government-Wide Statement of Net Position. Repayment of debt and capital lease principal is an expenditure in the Government Funds, but the payments reduce long-term liabilities in the Government-Wide Statement of Net Position.	
This amount represents debt issued during the current period.	(2,800,000)
This amount represents debt and capital lease principal payments during the current period.	2,053,363
Accrued interest on long-term debt is reported in the Government-Wide Statement of Activities, but does not require the use of current financial resources. Therefore, accrued interest expense is not reported as an expenditure in Governmental Funds financial statements. The following amount represents the change in accrued interest from prior year.	(5,277)
Debt issued at a premium provide current financial resources to Governmental Funds, but are deferred and amortized in the Government-Wide financial statements. Deferred amounts on refunding are expenditures in the Governmental Funds, but are deferred and amortized in the Government-Wide financial statements.	
This amount represents amortization of premium on debt during the current period.	182,709
This amount represents amortization of deferred amounts on refunding during the current period.	(30,111)
Other long-term liabilities are reported in the Government-Wide Statement of Activities, but do not require the use of current financial resources. Therefore, other long-term liabilities are not reported as expenditures in Governmental Funds financial statements.	
This amount represents the change in pollution remediation obligations during the current period.	85,573
This amount represents the change in the net pension liabilities and related deferred pension amounts during the current period.	2,470,432
This amount represents the change in the net OPEB liabilities and related deferred OPEB amounts during the current period.	1,540,511
The Internal Service Fund is used by management to charge the costs of Health and Dental Insurance to individual funds. The net revenues (expenses) of the Internal Service Fund is reported with Governmental Activities in the Government-Wide financial statements.	392,422
Revenues in the Government-Wide Statement of Activities that are not measurable and available in Governmental Funds are not reported as revenue in the Governmental Funds.	17,830
<b>Change in Net Position of Governmental Activities</b>	<b><u><u>\$ 10,075,167</u></u></b>

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

The financial statements of the Town of Narragansett, Rhode Island, have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The following notes to the financial statements are an integral part of the Town's financial statements.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. REPORTING ENTITY**

The Town of Narragansett was founded in 1888. The Town is governed largely under the 1966 Narragansett Home Rule Charter. In some matters, including the issuance of short and long-term debt, the Town is governed by the general laws of the State of Rhode Island. The Town operates under a Town Council/Town Manager form of government and provides the following services as authorized by its charter: public safety (police, fire, and emergency services); public works (highways, streets, and facilities management); parks and recreation; planning, engineering and inspection; education; social services; and general administrative services.

In evaluating the inclusion of potential component units within its financial reporting entity, the Town applied the criteria prescribed by GASB Statement No. 14, as amended by GASB Statement No. 39, “Determining Whether Certain Organizations are Component Units” and GASB Statement No. 61 “Financial Reporting Entity Omnibus”. A component unit is a legally separate organization for which the elected officials of the primary government are financially accountable or other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity’s financial statements to be misleading. Through the application of GASB Statements Nos. 14, 39 and 61 criteria, the following have been presented as fiduciary component units of the Town in the Fiduciary Fund Financial Statements: Town Pension Trust; Police Pension Trust; Town Other Post-Employment Benefits Trust; and School Other Post-Employment Benefits Trust.

The Town Pension Trust, the Police Pension Trust, the Town Other Post-Employment Benefits Trust, and the School Other Post-Employment Benefits Trust are pension and other post-employment benefit plans established by trust agreements as discussed in Note 12 A and B and Note 15 B and C to the financial statements. The fiscal year of the Town Pension Trust, the Police Pension Trust, the Town Other Post-Employment Benefits Trust, and the School Other Post-Employment Benefits Trust ends on June 30. The Town Pension Trust, the Police Pension Trust, the Town Other Post-Employment Benefits Trust, and the School Other Post-Employment Benefits Trust do not issue separate financial statements.

**B. BASIS OF PRESENTATION AND ACCOUNTING**

**Government-Wide Financial Statements**

The Town’s Government-Wide Financial Statements include a Statement of Net Position and a Statement of Activities. These statements report information about the reporting entity as a whole. Fiduciary activities of the Town are not included in these statements. The statements distinguish

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

between governmental and business-type activities. Governmental activities generally are financed through property taxes, intergovernmental revenue, and other non-exchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods and services rendered.

The Statement of Activities presents a comparison between direct expenses and program revenue for the business-type activities and for each function of the Town's governmental activities. Program revenues include (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including property taxes and general state aid, are presented as general revenues.

These statements are presented on an "*economic resources*" measurement focus and the accrual basis of accounting. Accordingly, all the Town's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, including capital assets, infrastructure assets, and long-term liabilities, are included in the accompanying Statement of Net Position. The Statement of Activities presents changes in net position. Under the accrual basis of accounting, revenues are recognized in the period earned while expenses are recognized in the period the liability is incurred.

Certain eliminations have been made as prescribed by GASB Statement No. 34 in regards to interfund activities, payables and receivables. All internal balances in the Statement of Net Position have been eliminated except those representing balances between the governmental activities and the business-type activities, which are presented as internal balances and eliminated in the total column. In the Statement of Activities, internal service fund transactions have been eliminated; however those transactions between governmental and business-type activities have not been eliminated.

### **Fund Financial Statements**

The Fund Financial Statements of the Town are organized into funds, each of which is considered to be a separate accounting entity. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions related to specific Town functions or activities. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity, revenues, and expenditures/expenses. Funds are organized into three categories: governmental, proprietary, and fiduciary. Major individual governmental funds and enterprise funds are reported as separate columns in the Fund Financial Statements.

### **Governmental Fund Financial Statements**

Governmental Fund Financial Statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances for all major governmental funds and non-major funds aggregated. An accompanying schedule is presented to reconcile and explain the differences in fund balances and changes in fund balances as presented in these statements to the net position and changes in net position presented in the Government-Wide Financial Statements.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

All governmental funds are accounted for on a spending or “*current financial resources*” measurement focus and the modified accrual basis of accounting. Accordingly, only current assets, deferred outflows of resources, current liabilities and deferred inflows of resources are included on the Balance Sheet. The Statement of Revenues, Expenditures and Changes in Fund Balances present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period. Accordingly, revenues are recorded when received in cash, except that revenues subject to accrual (generally collected 60 days after year-end) are recognized when due. The primary revenue sources which have been treated as susceptible to accrual by the Town are property tax and intergovernmental revenues. Expenditures are recorded in the accounting period in which the related fund liability is incurred, except for principal and interest on long-term debt, claims and judgments, and compensated absences which are recognized as expenditures to the extent they have matured.

**Major Governmental Funds:**

**General Fund** – The General Fund is used to account for resources devoted to financing the general services that the Town performs for its citizens and is always classified as a major fund. It is used to account for all financial resources except those required to be accounted or reported in another fund.

**Proprietary Fund Financial Statements**

Proprietary Fund Financial Statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position, and a Statement of Cash Flows. A column representing Internal Service Funds is also presented in these statements. However, Internal Service balances and activities have been combined with the Governmental Activities in the Government-Wide Financial Statements.

Proprietary funds are accounted for using the “*economic resources*” measurement focus and the accrual basis of accounting. Accordingly, all assets, deferred outflows of resources, liabilities and deferred inflows of resources (whether current or noncurrent) are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position present increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenues are recognized in the period earned while expenses are recognized in the period the liability is incurred.

Operating revenues in the proprietary funds are those revenues that are generated from the primary operations of the fund. All other revenues are reported as non-operating revenues. Operating expenses are those expenses that are essential to the primary operations of the fund. All other expenses are reported as non-operating expenses.

The Town has four Enterprise Funds. The Town considers all Enterprise Funds to be major funds for financial statement purposes. The Town’s Enterprise Funds are as follows:

**Water Fund** – The Water Fund is used to account for the water use fees and the expenses associated with providing water services to Town residents and businesses.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Sewer Fund** – The Sewer Fund is used to account for the sewer use fees, the assessments, and the expenses associated with providing sewer services to Town residents and businesses.

**Beach Fund** – The Beach Fund is used to account for the fees and the expenses associated with the operation of the Town beach.

**Middlebridge Recreation Fund** – The Middlebridge Recreation Fund is used to account for rental fees and expenses associated with the operations of Middlebridge Recreation Area.

The Town has one Internal Service Fund as follows:

**Healthcare Fund** – The Healthcare Fund is used to account for the Town’s self-insured health and dental care programs.

**Fiduciary Fund Financial Statements**

Fiduciary Fund Financial Statements include a Statement of Net Position and a Statement of Changes in Net Position. The Town’s Fiduciary Funds include the Pension Trust Funds, the Other Post-Employment Benefits Trust Funds, and the Private Purpose Trust Funds. Fiduciary Funds are used to account for assets held by the Town in a trustee capacity or as a custodian for individuals, private organizations or other governments. The Fiduciary Funds are accounted for on a spending or “*economic resources*” measurement focus and the accrual basis of accounting.

**Pension Trust Funds** – The Pension Trust Funds account for contributions made by the Town and its participating employees to provide pension benefits to these employees at retirement.

**Other Post-Employment Benefits Trust Funds** – The Other Post-Employment Benefits (OPEB) Trust Funds were established to account for contributions to finance other post-employment benefits paid by the Town and the payment of these benefits as they come due. The Town OPEB Fund was established by Town Ordinance effective August 1, 2011 and the School OPEB Fund was established by School Committee Resolution effective May 17, 2017.

**Private Purpose Trust Funds** – The Private Purpose Trust Funds account for funds held in trust for use by an outside committee to provide awards and scholarships in accordance with a donor’s instructions. All resources of the funds, including any earnings on investments, may be used. There is no requirement that any portion that these resources be considered nonexpendable.

**C. RECENTLY ISSUED ACCOUNTING STANDARDS**

The Town has implemented the following new accounting pronouncements:

- GASB Statement No. 84 – *Fiduciary Activities*, effective for the Town’s fiscal year ending June 30, 2021.
- GASB Statement No. 90 – *Majority Equity Interests – an amendment of GASB Statements No. 14 and No. 61*, effective for the Town’s fiscal year ending June 30, 2021.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

- GASB Statement No. 93 – *Replacement of Interbank Offered Rates*, effective for the Town’s fiscal year ending June 30, 2021, except for paragraphs 11b, 13 and 14 which are effective for the Town’s fiscal year ending June 30, 2022.

As discussed in Note 17, the adoption of GASB Statement Number 84 resulted in restatements to the financial statements to reclassify funds recorded as agency funds in prior years that no longer meet the definition of a custodial fund. The adoption of GASB Statement Number 90 and the portion of GASB Statement Number 93 applicable in fiscal year 2021 did not have an impact on the Town’s financial position or results of operations.

The Town will adopt the following new accounting pronouncements in future years:

- GASB Statement No. 87 – *Leases*, effective for the Town’s fiscal year ending June 30, 2022.
- GASB Statement No. 89 – *Accounting for Interest Cost Incurred before the End of a Construction Period*, effective for the Town’s fiscal year ending June 30, 2022.
- GASB Statement No. 91 – *Conduit Debt Obligations*, effective for the Town’s fiscal year ending June 30, 2023.
- GASB Statement No. 92 – *Omnibus 2020*, effective for the Town’s fiscal year ending June 30, 2022, except for the requirements related to the effective date of Statement 87 and Implementation Guide 2019-3 which are effective upon issuance.
- GASB Statement No. 93 – *Replacement of Interbank Offered Rates*, paragraphs 11b, 13 and 14 which are effective for the Town’s fiscal year ending June 30, 2022.
- GASB Statement No. 94 – *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, effective for the Town’s fiscal year ending June 30, 2023.
- GASB Statement No. 96 – *Subscription-Based Information Technology Arrangements*, effective for the Town’s fiscal year ending June 30, 2023.
- GASB Statement No. 97 – *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans – an amendment of GASB Statements No. 14 and No. 84, and a suppression of GASB Statement No. 32*, effective for the Town’s fiscal year ending June 30, 2022, except for paragraphs 4 and 5 which are effective upon issuance.
- GASB Statement No. 98 – *The Annual Comprehensive Financial Report*, effective for the Town’s fiscal year ending June 30, 2022.

The impact of these pronouncements on the Town's financial statements has not been determined.

#### **D. CASH EQUIVALENTS**

The Town considers cash and cash equivalents in the Proprietary Funds to include cash on hand, time and demand deposits, and short-term investments maturing within three months from the date of acquisition.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
*Notes to Financial Statements*  
*June 30, 2021*

**E. INVESTMENTS**

The Town reports investments at fair value, except for investments in money market funds and the Trust OPEB Funding Program which are reported at net asset value per share (which approximates fair value).

**F. ACCOUNTS RECEIVABLE AND TAXES RECEIVABLE**

Accounts receivable and taxes receivable are shown net of an allowance for uncollectible accounts. The allowances are calculated based on the age of the individual receivables.

**G. UNBILLED SERVICES RECEIVABLE**

Water and sewer revenue is recorded when earned. Customers are billed quarterly. The estimated value of services provided but unbilled at year-end has been included in the accompanying financial statements.

**H. PREPAID ITEMS**

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

**I. INVENTORY**

Inventory is maintained on a periodic system and is stated at cost (first in, first out method of inventory valuation). Inventory is generally recorded as expenditures/expenses when consumed.

**J. CAPITAL ASSETS AND DEPRECIATION**

Capital assets are reported in the Government-Wide Statement of Net Position.

In the Fund Financial Statements, capital assets used in governmental fund activities are accounted for as capital expenditures of the governmental fund upon acquisition. Capital assets used in proprietary fund operations are accounted for in the same manner as in Government-Wide Financial Statements.

All capital assets are recorded at cost (or estimated historical cost). Donated capital assets are recorded at acquisition value as of the date received. The Town follows the policy of not capitalizing assets with a cost of less than \$10,000 and a useful life of less than 1 year.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Estimated Useful Lives</u>
Land improvements	5 – 65 years
Buildings and improvements	25 – 65 years
Machinery and equipment	5 – 30 years
Vehicles	6 – 12 years
Infrastructure	15 – 65 years

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
*Notes to Financial Statements*  
**June 30, 2021**

**K. DEBT PREMIUMS**

In the Governmental Fund Financial Statements, debt premiums are reported as an “other financing source.” In the Government-Wide Statements, debt premiums are deferred and amortized over the term of the debt. Debt premiums are presented as an addition to the face amount of the debt payable.

**L. DEFERRED OUTFLOWS OF RESOURCES AND DEFERRED INFLOWS OF RESOURCES**

Deferred outflows of resources represent a consumption of net position that applies to future periods and so will not be recognized as an outflow of resources (expense/expenditure) until then. Deferred inflows of resources represent an acquisition of net position that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time.

In the Governmental Fund Financial Statements, deferred inflows of resources are reported for receivables recorded in the Governmental Fund Financial Statements for which the revenue is not available or amounts received before the period for which property taxes are levied. In the Government-Wide Financial Statements, deferred inflows of resources are reported for amounts received before the period for which property taxes are levied and deferred amounts related to refunding debt issues which will be amortized as a component of interest expense in future years. Deferred outflows of resources and deferred inflows of resources are also reported for amounts related to the Town’s pension plans and other post-employment benefit plans that will be amortized as a component of pension and other post-employment benefit expense in future years.

**M. PROPERTY TAXES**

The Town is permitted by Rhode Island General Law to levy property taxes. Current tax collections for the Town were approximately 99.20% of the total 2020 levy. The tax rate of the Town is established in accordance with Town Ordinance.

The Town's fiscal 2020-2021 property taxes were levied on June 15, 2020, on assessed valuation as of December 31, 2019. Upon levy, taxes are due and payable between July 1 and July 31 or may be paid quarterly on July 31, October 31, January 31 and April 30. Failure to mail payments by due dates will result in a lien on the taxpayer's property. Taxable assessed values are established by Tax Assessor's Office and are currently calculated at 100% of the full and fair value for real estate and tangible personal property and 80% of the value, as determined by the RI Vehicle Valuation Commission, for motor vehicles. A full revaluation of all property was completed as of December 31, 2020.

Rhode Island General Law restricts the Town’s ability to increase its total tax levy by more than 4% over that of the preceding fiscal year.

**N. COMPENSATED ABSENCES**

Under the terms of various contracts and agreements, Town employees are granted vacation and sick leave in varying amounts based on length of service. Vacation benefits are accrued as a liability based on the accumulated benefits earned at June 30. Sick leave benefits are based on the sick leave

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

accumulated at June 30 by those employees who are currently eligible to receive termination payments and those employees for whom it is probable they will become eligible to receive termination benefits in the future. The liability is calculated at the rate of pay in effect at June 30, 2021.

The entire compensated absence liability is reported on the Government-Wide Financial Statements. For Governmental Fund Financial Statements, the amount of accumulated vacation and sick leave has been recorded as a current liability to the extent that the amounts are due to employees who have resigned or retired.

**O. ACCRUED LIABILITIES AND LONG-TERM DEBT**

All accrued liabilities and long-term debt are reported in the Government-Wide Financial Statements.

For Governmental Fund Financial Statements, the accrued liabilities are generally reported as a governmental fund liability if due for payment as of the balance sheet date regardless of whether they will be liquidated with current financial resources. However, claims and judgments and compensated absences paid from governmental funds are reported as a liability in the Governmental Fund Financial Statements only for the portion expected to be financed from expendable available financial resources. Long-term debt paid from governmental funds is not recognized as a liability in the Governmental Fund Financial Statements until due.

**P. PENSIONS**

For the purposes of measuring the net pension liabilities, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Employees' Retirement System of the State of Rhode Island, the Town Pension, and Police Pension plans and the additions to/deductions from each plan's fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, the plans benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**Q. POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)**

For the purposes of measuring the net OPEB liabilities, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the Town OPEB and School OPEB plans and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, the plans recognizes benefit payments when due and payable, in accordance with the benefit terms. Investments are reported at fair value.

**R. ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**NOTE 2 - CAPITAL ASSETS**

Capital asset activity for the fiscal year ended June 30, 2021 was as follows:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Retirements</u>	<u>Ending Balance</u>
<b>Governmental Activities:</b>				
Nondepreciable assets:				
Land and land easements	\$ 44,751,624	\$ 115,000	\$ -	\$ 44,866,624

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Depreciation expense was charged to governmental functions as follows:

General government	\$ 236,135
Public safety	507,159
Public works	1,680,141
Parks and recreation	372,169
Public libraries	11,776
Education	2,098,108
<b>Total Depreciation Expense</b>	<b><u>\$ 4,905,488</u></b>

Depreciation expense was charged to the business-type functions as follows:

Water	\$ 348,568
Sewer	921,893
Beach	323,628
Middlebridge Recreation	14,135
<b>Total Depreciation Expense</b>	<b><u>\$ 1,608,224</u></b>

**NOTE 3 – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY**

**A. LEGAL DEBT MARGIN**

The Town's legal debt margin as set forth by State Statute is limited to three percent of total taxable assessed value which approximates \$151,260,565. As of June 30, 2021, the Town's debt subject to the legal debt margin is \$399,000 and the Town is under the debt limit by \$150,861,565. The debt subject to the debt limitation is based on the type of debt that is issued.

**B. DEFICIT FUND BALANCES/NET POSITION**

The following governmental funds had a deficit in unassigned fund balance as of June 30, 2021:

- Library Building Fund - \$(149,214)

**NOTE 4 – CASH DEPOSITS**

**DEPOSITS** – are in several financial institutions and are carried at cost. The carrying amount of deposits are separately displayed on the Balance Sheet of the Fund Financial Statements as “Cash and Cash Equivalents” and “Cash Overdraft” and on the Statement of Net Position as “Cash and Cash Equivalents”.

	<i>Carrying Amount</i>
Total Deposits	<u>\$42,956,315</u>
Add: Petty Cash and Cash on Hand	13,358
Add: Investments classified as cash equivalents	2,211,146
Less: Cash and cash equivalents classified as investments	<u>(1,131,475)</u>
<b>Total Cash and Cash Equivalents Reported in the Financial Statements</b>	<b><u>\$44,049,344</u></b>

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**CUSTODIAL CREDIT RISK** – custodial credit risk for deposits is the risk that in the event of the failure of a depository financial institution, the Town will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The Town does not have a formal deposit policy for custodial credit risk, but is governed by State Laws as described below. As of June 30, 2021 \$23,441,400 of the Town’s bank balance of \$41,500,273 was exposed to custodial credit risk as follows:

	<b><u>Bank Balance</u></b>
Insured (federal depository insurance funds)	\$18,058,873
Collateralized with securities held by pledging financial institution or its agent, in the Town’s name	20,316,027
Collateralized with securities held by pledging financial institution or its agent, but not in the Town’s name	2,571,114
Uninsured and uncollateralized	554,259
<b>Total</b>	<b><u>\$41,500,273</u></b>

Under Rhode Island General Laws, depository institutions holding deposits of the State, its agencies or governmental subdivisions of the State, shall at a minimum, insure or pledge eligible collateral equal to one hundred percent (100%) of the deposits which are time deposits with maturities greater than sixty (60) days. Any of these institutions which do not meet minimum capital standards prescribed by federal regulators shall insure or pledge eligible collateral equal to one hundred percent (100%) of the deposits, regardless of maturity. At June 30, 2021, the Town's uncollateralized deposits with institutions were \$554,259. These deposits are held by institutions that meet the minimum capital standards prescribed by the federal regulators.

**NOTE 5 – INVESTMENTS**

The Town has investment policies for the Pension Trust Funds:

- Equities (including convertible securities) may represent up to 70% of the account’s market value with a minimum requirement of 25%.
- International Securities should not exceed 20% of the total plan assets.
- Fixed income (including preferred stocks) is not to exceed 75% of the account’s market value with a minimum requirement of 30%.
- Cash equivalents (including all senior debt securities with under 1 year to maturity) may be held to a maximum of 30% of the account’s market value.
- No manager shall hold greater than 15% of the total pension plan assets, calculated on an annual basis.

**TOWN OF NARRAGANSETT, RHODE ISLAND**

***Notes to Financial Statements***

***June 30, 2021***

- Manager's investments in any one equity security (except mutual funds, exchange traded funds (ETFs), and U.S. Government and Agency securities) should not exceed 5% at cost of the total market value of the respective manager's portfolio, and should not exceed 10% of the portfolio at any time.
- No more than 25% of the equity portfolio should be invested in any one of the following S&P 500 sectors: consumer cyclical, consumer staple, basic industrial, transportation, energy, capital goods and construction, utilities, finance, health care, and technology.
- Fixed income investments will be diversified by industry and by maturity. Not more than 5% of the portfolio value will be invested in any one issuer with the exception of the U.S. Government or its agencies.
- Average effective duration for the fixed income portfolio will not exceed six (6) years.
- Fixed income investments must be rated at least Baa2 or its equivalent by at least one recognized bond rating service. At least 80% of the fixed income portfolio must carry a rating of A or its equivalent by one rating agency.
- Current holdings that are not rated at least Baa2 or its equivalent by one rating agency must be sold within a reasonable period of time, not to exceed six (6) months.
- The Manager is prohibited from investing in private placements and from speculating in fixed income or interest rate futures.
- The Managers may invest in commercial paper, repurchase agreements, Treasury Bills, certificate of deposits, and money market funds. All such assets must represent maturities of one year or less at time of purchase. Commercial paper must be rated P-1 or A-1 by Standards & Poor's or Moody's respectively.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

As of June 30, 2021 the Town had the following investments:

<u><b>Investments</b></u>	<u><b>Fair Value</b></u>	<u><b>Rating (Moody's/S&amp;P)</b></u>

Mutual fund and exchange traded fund maturity is based on average maturity of the fund. \$301,584 of the Town’s mutual funds and exchange traded funds do not have an average maturity.

**Credit Risk** – The Town is governed by State Laws that limit investment choices to short-term investments for its public deposits (General Fund). Except as discussed above for the Pension Trust Funds, the Town has no investment policy that would further limit its investment choices. The ratings for the Town’s investments are presented above.

**Concentration of Credit Risk** – Except as discussed above for the Pension Trust Funds, the Town does not have any policies that limit the amount that can be invested with one issuer.

**Custodial Credit Risk** – For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Town will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Town does not have a policy related to custodial credit risk. The Town’s investments are held by the Town’s counterparty not in the Town’s name.

**Foreign Currency Risk** – Except as discussed above for the Pension Trust Funds, the Town does not have any policies related to foreign currency risk. Information about exposure of the Town’s securities to this risk is presented below:

**TOWN OF NARRAGANSETT, RHODE ISLAND**

The Town's investment in mutual funds and ETFs includes \$5,152,069 in international fixed income funds and \$19,822,866 in international equity funds.

**NOTE 6 – FAIR VALUE MEASUREMENTS**

The Town categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The Town has the following recurring fair value measurements as of June 30, 2021:

<b>Investments by fair value level:</b>	<b>June 30, 2021</b>	<b>Fair Value Measurements Using:</b>		
		<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>

<b>Investments measured at net asset value (NAV):</b>				
Money Market Funds	2,211,146			
Trust OPEB Funding Program	2,174,083			
<b>Total investments measured at fair value</b>	\$ 143,840,814			

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Equity and debt securities classified in Level 1 are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 are valued using rules based pricing applications that consider benchmark yields, reported trades, broker/dealer quotes, issuer spreads, two-sided markets, benchmark securities, bids, offers and reference data.

All money market investments have a maturity of less than one year. The fair value of these money market funds reflects the net asset value reported by the fund administrator which is a stable \$1 per unit. The underlining investments, which are short-term cash equivalent type investments are generally carried at amortized cost which approximates fair value. There are no participant's withdrawal limitations.

The Town's investment in the Trust OPEB Funding Program is valued using net asset value (NAV) per share (or its equivalent). The redemption frequency of the Trust OPEB Funding Program is daily and there is no redemption notice period. The Trust OPEB Funding Program investment utilizes a balanced strategy seeking both a reasonable level of income and long-term growth of capital and income. The Program invests in seven index and mutual funds: total stock market index fund, total international stock index fund, total bond market index fund, total international bond index fund, intermediate-term investment grade fund, short-term investment grade fund, and REIT index fund. The fair values of the underlying investments are used to determine NAV per share (or its equivalent) of the Trust OPEB Funding Program investment.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**F. POLLUTION REMEDIATION OBLIGATIONS**

The United States Environmental Protection Agency (US EPA) has notified the Town that two former landfills used by the Town, Rose Hill Regional Landfill (Rose Hill) and West Kingston/URI Disposal Area Landfill, have been placed of the Superfund list.

**Rose Hill Regional Landfill** – Rose Hill was previously operated by the Towns of South Kingstown and Narragansett. In September 2002, the US EPA, the Rhode Island Department of Environmental Management (RIDEM) and the Towns of Narragansett and South Kingstown entered into a Final Consent Decree for remediation of Rose Hill. Since then, the site has been capped and long-term groundwater and air monitoring has commenced to determine the effectiveness of the cap and what, if any, additional remediation actions may be necessary in the future. The current estimated total cost of completing the clean-up of Rose Hill is \$21,549,014. The Town’s share of this obligation is estimated to be \$4,514,645. In prior years, the Town paid \$2,000,000 to the Federal Government to settle all past liabilities associated with Rose Hill and \$504,931 for its share of natural resource damages. The Final Consent Decree also requires reimbursement to the State of 30% of the costs associated with remediation of this landfill and ongoing operation and maintenance costs. These costs will be shared equally by the two towns. The Town has paid \$767,673 to date for its share of remediation of the landfill and operation and maintenance costs. The Town’s remaining share of the estimated cost, totaling \$1,242,041 at June 30, 2021, will be paid to the State over a 16-year period. Accordingly, \$1,242,041 has been reported as a pollution remediation obligation in the government-wide financial statements.

**West Kingston/URI Disposal Area Landfills** – The West Kingston/URI Disposal Area Landfills, also known as the Plains Road Landfill (Plains Road), was added to the Superfund list in 1992. The Towns of Narragansett and South Kingstown and the University of Rhode Island (URI) were named as potentially responsible parties. The Towns of Narragansett and South Kingstown and URI have agreed to participate in the remediation of the site under State landfill closure regulations. A consent decree was entered for the site as well. The current estimated cost of completing the clean-up of Plains Road is \$7,488,020. The Town’s share of this obligation is estimated to be \$1,683,788. The Town has paid \$1,503,788 to date related to its obligation with an estimated \$180,000 remaining for ongoing operation and maintenance costs at June 30, 2021. Accordingly, \$180,000 has been reported as a pollution remediation obligation in the government-wide financial statements.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**NOTE 8 – INTERFUND BALANCES**

The Town reports interfund balances between many of its funds. The totals of all balances agree with the sum of interfund balances presented in the fund statements.

	<i>Due From:</i>			<i>Total</i>
	<i>General Fund</i>	<i>Nonmajor Governmental Funds</i>	<i>Pension Trust Funds</i>	
<b><i>Due To:</i></b>				
General Fund	\$ -	\$ 781,950	\$ 214,665	\$ 996,615
Nonmajor Governmental Funds	2,623,686	-	-	2,623,686
Other Post-Employment Benefit Trust Funds	141,716	-	-	141,716
<b><i>Total</i></b>	<b>\$ 2,765,402</b>	<b>\$ 781,950</b>	<b>\$ 214,665</b>	<b>\$ 3,762,017</b>

The balances primarily result from the time lag between the dates the 1) transactions are recorded in the accounting system and 2) payments between funds are made.

**NOTE 9 – INTERFUND TRANSFERS**

	<i>Transfer From:</i>	
	<i>General Fund</i>	<i>Total</i>
<b><i>Transfer To:</i></b>		
Nonmajor Governmental Funds	\$ 6,117,299	\$ 6,117,299
<b><i>Total</i></b>	<b>\$ 6,117,299</b>	<b>\$ 6,117,299</b>

Transfers are used to move revenues from the fund that the budget requires to collect them, to the funds that the budget requires to expend them.

**NOTE 10 – NET POSITION/FUND BALANCES**

The Government-Wide Financial Statements and Proprietary Fund Statements utilize a net position presentation. Net position is categorized as net investment in capital assets; restricted; and unrestricted.

***Net Investment in Capital Assets*** – This category groups all capital assets into one component of net position. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets reduce the balance in this category.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Restricted Net Position** – This category represents balances limited to uses specified either externally by creditors, contributors, laws and regulations of other governments or imposed through constitutional provisions or enabling legislation.

**Unrestricted Net Position** – This category represents the residual component of net position that does not meet the definition of “restricted” or “net investment in capital assets.”

The Town considers restricted resources to have been spent when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

In the fund financial statements, governmental fund equity is classified as fund balance. Fund balance is reported in classifications that comprise a hierarchy based primarily on the extent to which the Town is bound to honor constraints on the specific purpose for which amounts in those funds can be spent.

**Nonspendable Fund Balance** – This classification includes amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact. The “not in spendable form” criteria includes items that are not expected to be converted to cash (e.g. inventories and prepaid expenditures).

**Restricted Fund Balance** – This classification includes amounts that have constraints placed on the use of resources that are either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

**Committed Fund Balance** – This classification includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Town’s highest level of decision-making authority. These committed amounts cannot be used for any other purpose unless the Town removes or changes the specific use by taking the same type of action it employed to previously commit those amounts.

**Assigned Fund Balance** – This classification includes amounts constrained by the Town’s intent to be used for specific purposes, but are neither restricted nor committed.

**Unassigned Fund Balance** – This classification is the residual fund balance for the General Fund which is the only fund that reports a positive unassigned fund balance amount. This classification represents fund balance that has not been assigned to another fund and that has not been restricted, committed, or assigned to specific purposes within the General Fund.

Committed fund balances are established, modified or rescinded by resolution adopted by the Town Council. The Town Council delegates to the Town Manager the authority to assign amounts to be used for specific purposes. Such assignments cannot exceed the available (spendable, unrestricted, uncommitted) fund balance in any particular fund. The Town considers restricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available. The Town considers unrestricted fund balance classifications to be used in

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

the following order when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used: 1) committed; 2) assigned; and 3) unassigned.

**NOTE 11 – DISAGGREGATION OF RECEIVABLE AND PAYABLE BALANCES**

**A. ACCOUNTS RECEIVABLE**

The Town disaggregates significant components of receivables in the financial statements. Receivable balances determined immaterial are included as other receivables. The Town expects to receive all receivables within the subsequent year, except for sewer assessments, sewer lot development fees and community development loans receivable. The real estate and personal property tax receivable includes an allowance for doubtful accounts of \$222,244.

**B. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES**

The accounts payable and accrued liabilities at June 30, 2021, were as follows:

	<u>Vendors</u>	<u>Salaries and Benefits</u>	<u>Other</u>	<u>Total</u>
<b>Governmental activities:</b>				
General Fund	\$ 518,762	\$ 1,165,427	\$ 360,867	\$ 2,045,056

Sewer Fund	69,264	38,294	692	108,250
Beach Fund	371,764	89,499	-	461,263
Middlebridge Recreation Fund	58,693	-	-	58,693
<b>Total</b>	<u>\$ 622,266</u>	<u>\$ 156,357</u>	<u>\$ 25,732</u>	<u>\$ 804,355</u>

**NOTE 12 – POST-EMPLOYMENT BENEFITS**

**A. TOWN PLAN**

**Plan Description**

**Plan Administration** - The Town of Narragansett administers a single-employer, defined benefit post-employment benefit plan. This plan does not include the pension benefits discussed in Note 15. On August 1, 2011, the Town Council authorized the creation of an OPEB Trust Fund. The Finance Director is responsible for administration of the plan in accordance with the Trust Agreement dated September 8, 2011 with Town Council oversight. The plan is reported as a Trust Fund in the Town's financial statements. The plan does not issue a publicly available financial report.

**Plan Membership** - As of June 30, 2021, the plan membership data is as follows:

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Active employees (with and without coverage)	173
Retirees and beneficiaries	162
	335
	335

**Benefits Provided** - The plan provides medical, dental and life insurance for eligible retirees and their dependents through the Town’s group insurance plans, which cover both active and retired members. Benefit provisions are established and amended by the union contracts through negotiations between the Town and the respective unions or as established by the Town Ordinance for non-union employees. The plan provides the following benefits based on employee group upon retirement:

**Municipal Employees** – Employees who have attained age 58 with 10 years of service or 20 years of service (whichever is earlier) are eligible for lifetime medical, dental and life insurance benefits, if hired prior to July 1, 2014. Effective July 1, 2001, those retirees eligible for lifetime benefits who are Medicare eligible are enrolled in Blue Cross Plan 65. Council 94 employees hired on/after July 1, 2014 who have attained the age of 65 with 10 years of service or 25 years of service (whichever is earlier) are eligible for medical and dental coverage until Medicare eligible. Local 1033 employees hired on/after July 1, 2014 who have attained the age of 58 with 10 years of service or 25 years of service (whichever is earlier) are eligible for medical and dental coverage until Medicare eligible. Employees retiring prior to January 1, 2010 have no employee contribution. Council 94 and Local 1033 employees retiring prior to July 1, 2018 who elect spousal coverage at retirement shall be provided with 2-person coverage and the retiree contribution requirements noted below apply to the spouse as well. Council 94 and Local 1033 employees retiring on/after July 1, 2018 who elect spousal coverage at retirement must contribute the full incremental cost of the spousal coverage. The following employee contribution requirements apply to employees retiring on/after January 1, 2010:

- Council 94 – date of retirement prior to January 1, 2012 – 2% of monthly pension; date of retirement on/after January 1, 2012 – 10% of health and dental premiums; date of retirement on/after July 1, 2012 – 12% of health and dental premiums; date of retirement on/after July 1, 2013 – 15% of health and dental premiums; date of retirement on/after July 1, 2018 – 20% of health and dental premiums
- Local 1033 – date of retirement prior to January 1, 2012 – 2% of monthly pension. For those hired prior to July 1, 1996 who: retire between July 1, 2014 and June 30, 2015 – 5% of health and dental premiums; retire between July 1, 2015 and June 30, 2016 – 10% of health and dental premiums; retire between July 1, 2016 and June 30, 2018 – 15% of health and dental premiums; retire after July 1, 2018 – 20% of health and dental premiums. For those hired on/after July 1, 1996 who retire on/after July 1, 2014 – 20% of health and dental premium.
- Non-Union – 2% of monthly pension

Council 94 and Local 1033 employees retiring on/after July 1, 2018 will receive individual health and dental benefits only until age 65 or Medicare eligible (whichever is earlier) regardless of date of hire.

**Firefighters** – Employees who have 20 years of service are eligible for lifetime medical, dental and life insurance benefits if hired prior to July 1, 2013. Firefighters hired on/after July 1, 2013 must have 25 years of service to be eligible for benefits. Employees retiring prior to January 1, 2011 have no employee contribution. Employees retiring on/after January 1, 2011 but prior to January 1, 2017 must

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

contribute 20% of their health premium (for retirees and spouses). These retirees will no longer be eligible for subsidized Medicare Supplement coverage. Employees retiring on/after January 1, 2017 will receive health coverage through a Blue Solutions HDHP plan with no contribution requirement.

***Police Officers*** – Employees who have attained age 58 with 10 years of service or 20 years of service (whichever is earlier) are eligible for lifetime medical, dental and life insurance benefits if hired prior to July 1, 2013. Officers hired on/after July 1, 2013 must have 25 years of service to be eligible for medical and dental coverage until Medicare eligibility and lifetime life insurance benefits. Employees retiring prior to January 1, 2010 have no employee contribution. Employees retiring on/after January 1, 2010 but prior to January 1, 2011 must contribute 2% of their monthly pension and employees retiring on/after January 1, 2011 but prior to July 1, 2013 must contribute 5% of their monthly pension towards health, dental and life insurance costs. Employees who retire on/after July 1, 2013 but prior to July 1, 2017 must contribute 15% of health and dental premiums. Employees who retire on/after July 1, 2017 but prior to July 1, 2018 must contribute 17% of health and dental premiums. Employees who retire on/after July 1, 2018 must contribute 20% of health and dental premiums.

Current and future Town retirees who waive coverage from the Town due to equivalent coverage elsewhere shall be reimbursed a percentage of the Town's cost of group health and dental depending on their coverage level (municipal employees and firefighters – 50%; police officers – 60% for retirements prior to July 1, 2017 and 50% for retirements on/after July 1, 2017). Council 94 and Local 1033 employees retiring on/after July 1, 2018 will receive this benefit until Medicare eligible. Firefighters retiring on/after January 1, 2011 will receive this benefit until Medicare eligible. Police officers hired on/after July 1, 2013 will receive this benefit until Medicare eligible.

***Contributions*** - Contribution requirements are negotiated between the Town and the respective unions or are established by Town Ordinance for non-union employees. The Town is required to contribute the cost of medical, dental and life benefits, less the amount of any applicable retiree share of premiums. For the year ended June 30, 2021, the Town's contribution was based on the adopted budget which was more than the actuarially determined contribution. For the fiscal year ended June 30, 2021, the Town contributed \$3,650,696 to the plan. Administrative costs are paid from plan assets.

### **Summary of Significant Accounting Policies**

***Basis of Accounting*** – The Other Post-Employment Benefits Trust Fund's financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

***Method Used to Value Investments*** – Investments are reported at fair value. Securities traded on national or international exchanges are valued at the last reported sales price at current exchange rates.

### **Investments**

***Investment Policy*** – The Finance Director may invest funds held in the OPEB Trust Fund in

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

accordance with the Trust Agreement and State Law in the following types of investments: common or preferred stocks, bonds, notes, debentures, mortgages, equipment or investment trust certificates, mutual funds or other pooled investment vehicles, and other evidences of indebtedness.

**Rate of Return** – For the year ended June 30, 2021, the annual money-weighted rate of return on investments, net of investment expense, was 24.79%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for changing amounts actually invested.

**Net OPEB Liability of the Town Plan**

The components of the net OPEB liability of the Town at June 30, 2021, were as follows:

Total OPEB Liability	\$45,547,640
OPEB Plan Fiduciary Net Position	<u>(13,520,006)</u>
Net OPEB Liability	<u>\$32,027,634</u>

Plan Fiduciary Net Position as a percentage of the Total OPEB Liability	29.7%
---	-------

**Actuarial Assumptions** – The total OPEB liability was determined by an actuarial valuation as of June 30, 2021, the measurement date. The following actuarial assumptions applied to all periods in the measurement, unless otherwise specified:

Actuarial Cost Method	Entry Age Normal Cost Method
Salary Increases	Age 20 - 10%; Age 30 - 6%; Age 40 – 4.5%; Age 50 – 4.25%; Age 55+ - 4%
Inflation	2%
Investment Rate of Return	7.15%
Mortality	Police and Fire - SOA Pub-2010 Public Safety Headcount Weighted Mortality Table fully generational using Scale MP-2020; Surviving Spouses – SOA Pub-2010 Contingent Survivor Headcount Weighted Mortality Table fully generational using Scale MP-2020; All Other – SOA Pub-2010 General Headcount Weighted Mortality Table fully generational using Scale MP-2020

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Health Care Trend Rates	<u>FYE</u>	<u>Medical</u>	<u>Dental</u>	<u>Part B</u>
	2022	8.00%	4.00%	3.25%
	2023	7.50%	3.50%	3.50%
	2024	7.00%	3.00%	3.75%
	2025	6.50%	3.00%	4.00%
	2026	6.00%	3.00%	4.25%
	2027	5.50%	3.00%	4.25%
	2028	5.00%	3.00%	4.25%
	2029+	4.50%	3.00%	4.25%

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Asset Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed Income	26.4%	1.5%
Domestic Equity	55.2%	6.0%
International Equity	7.4%	5.0%
Cash & Cash Equivalents	11.0%	0.8%
	<u>100.0%</u>	

The following changes in actuarial assumptions have been made since the prior measurement date:

- Payroll growth rates were changed from 6% to 4% based on age to 10% to 4% based on age.
- Investment rate of return was changed from 7.2% to 7.15%.
- Police and Fire mortality table was changed from the SOA RPH-2019 Blue Collar Total Dataset Mortality Table fully generational using Scale MP-2019 to the SOA Pub-2010 Public Safety Headcount Weighted Mortality Table fully generational using Scale MP-2020.
- Surviving Spouses mortality table was changed from the SOA RPH-2019 Total Dataset Mortality Table fully generational using Scale MP-2019 to the SOA Pub-2010 Contingent Survivor Headcount Weighted Mortality Table fully generational using Scale MP-2020.
- All Other mortality table was changed from the SOA RPH-2019 Total Dataset Mortality Table fully generational using Scale MP-2019 to the SOA Pub-2010 General Headcount Weighted Mortality Table fully generational using Scale MP-2020.
- Health care trend rates were changed from 7.5% decreasing to 4.5% for health, 3.5% decreasing to 3% for dental, and 3.5% increasing to 4.25% for Part B to 8% decreasing to 4.5% for health, 4% decreasing to 3% for dental, and 3.25% increasing to 4.25% for Part B.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

The actuarial assumptions used in the June 30, 2021 valuation and the calculation of the total OPEB liability as of June 30, 2021 were consistent with an actuarial experience study performed in 2021.

**Discount Rate** – The discount rate used to measure the OPEB liability was 7.15% for the Town Plan. The projection of cash flows used to determine the discount rate assumed that contributions will be made at rates equal to the greater of \$3,000,000 or the expected benefit payments. Based on those assumptions, the Town Plan’s net fiduciary position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability. The prior measurement date used a discount rate of 7.2%.

**Town Plan - Changes in the Net OPEB Liability**

	Increase (Decrease)		
	Total OPEB Liability	Plan Fiduciary Net Position	Net OPEB Liability
<b>Balances as of June 30, 2020</b>	\$38,421,444	\$10,567,317	\$27,854,127

Net difference between projected and actual earnings on OPEB plan investments	<u>-</u>	<u>366,687</u>
<b>Total</b>	<b><u>\$5,590,412</u></b>	<b><u>\$3,207,745</u></b>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

<b>Year ended June 30:</b>	
2022	\$(288,711)
2023	291,757
2024	709,601
2025	617,030
2026	1,052,990

**B. SCHOOL PLAN**

**Plan Description**

**Plan Administration** - The Narragansett School System administers a single-employer, defined benefit post-employment benefit plan. This plan does not include the pension benefits discussed in Note 15.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

On May 17, 2017 the School Committee authorized the creation of an OPEB Trust Fund. The Director of Finance and Administration is responsible for administration of the plan in accordance with the Trust Agreement effective May 17, 2017 with School Committee oversight. The plan is reported as a Trust Fund in the Town’s financial statements. The plan does not issue a publicly available financial report.

**Plan Membership** - As of June 30, 2021 the plan membership data is as follows:

Active employees (with and without coverage)	222
Retirees and beneficiaries	<u>199</u>
	<u><u>421</u></u>

**Benefits Provided** - The plan provides medical, dental and life insurance for eligible retirees and their dependents through the School System’s group insurance plans, which cover both active and retired members. Benefit provisions are established and amended by the union contracts through negotiations between the School System and the respective unions or as established by employee contract for non-union employees. The plan provides the following benefits based on employee group:

Certified Teachers – Employees who have 10 years of service are eligible for health and dental benefits until Medicare eligible once they meet the retirement eligibility requirements of the Employees Retirement System. Retirees are responsible for 100% of the premium cost plus a 2% administrative fee once any accrued sick leave balance which is converted to pay for health and dental insurance has been exhausted.

Other School Employees – Employees with 10 years of service, upon retirement, are eligible for health and dental benefits until Medicare eligible. Retirees are responsible for 100% of the premium cost plus a 2% administrative fee once any accrued sick leave balance which is converted to pay for health and dental insurance has been exhausted.

School System employees may convert accumulated vacation and sick pay, as applicable, to be used to purchase health and dental insurance based on requirements applicable to their employee group. If the employee has a spouse covered at retirement, the spouse may remain in the group health plan while the retiree is living.

All employees may continue their life insurance policies at retirement as a lifetime benefit. Certified teachers pay the annual premium amount in effect at the time of their retirement. All other employees pay the full cost of coverage.

**Contributions** - Contribution requirements are negotiated between the School System and the respective unions or are established by employee contract for non-union employees. The School System is required to contribute the cost of medical, dental and life insurance benefits, less the amount of any applicable retiree share of premiums. For the year ended June 30, 2021, the plan operated on a pay as you go basis and no provision has been made to fund future benefits to be provided to plan members. For the fiscal year ended June 30, 2021, the School System contributed \$520,545 to the plan.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Summary of Significant Accounting Policies**

**Basis of Accounting** – The Other Post-Employment Benefits Trust Fund’s financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

**Method Used to Value Investments** – Investments are reported at fair value. Securities traded on national or international exchanges are valued at the last reported sales price at current exchange rates.

**Investments**

**Investment Policy** – The Director of Finance and Administration may invest funds held in the OPEB Trust Fund in accordance with the Trust Agreement and State Law. The School Plan utilizes a third-party investment advisor and has adopted a balanced strategy.

**Rate of Return** – For the year ended June 30, 2021, the annual money-weighted rate of return on investments, net of investment expense, was 23.55%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for changing amounts actually invested.

**Net OPEB Liability of the School Plan**

The components of the net OPEB liability of the Town at June 30, 2021, were as follows:

Total OPEB Liability	\$5,002,201
OPEB Plan Fiduciary Net Position	<u>(2,315,799)</u>
Net OPEB Liability	<u>\$2,686,402</u>

Plan Fiduciary Net Position as a percentage of the Total OPEB Liability	46.3%
--	-------

**Actuarial Assumptions** – The total OPEB liability was determined by an actuarial valuation as of June 30, 2021, the measurement date. The following actuarial assumptions applied to all periods in the measurement, unless otherwise specified:

Actuarial Cost Method	Entry Age Normal Cost Method
Salary Increases	General wage inflation of 3.0% plus merit increases
Inflation	1.9%
Investment Rate of Return	5.6%

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**

	2029+	4.50%	3.00%

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Asset Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
US Equity	33.0%	5.3%
Non-US Equity	21.0%	8.0%
U.S. Aggregate Bonds	15.0%	3.1%
Intermediate-Term Credit	10.0%	3.6%
Short-Term Credit	5.0%	3.5%
Non-US Bonds	10.0%	2.8%
REITs	6.0%	4.8%
	<hr style="width: 50%; margin: 0 auto;"/> 100.0% <hr style="width: 50%; margin: 0 auto;"/>	

The following changes in actuarial assumptions have been made since the prior measurement date:

- Inflation rate was changed from 1.6% to 1.9%.
- Investment rate of return was changed from 5.9% to 5.6%.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

- Teachers and Administrators mortality table was changed from the SOA RPH-2014 Adjusted to 2006 Total Dataset Headcount Weighted Mortality Table fully generational using Scale MP-2019 to the SOA Pub-2010 Teacher Headcount Weighted Mortality Table fully generational using Scale MP-2020.
- Support Employees mortality table was changed from the SOA RPH-2014 Adjusted to 2006 Total Dataset Headcount Weighted Mortality Table fully generational using Scale MP-2019 to the SOA Pub-2010 General Headcount Weighted Mortality Table fully generational using Scale MP-2020.
- Surviving Spouses mortality table was changed from the SOA RPH-2014 Adjusted to 2006 Total Dataset Headcount Weighted Mortality Table fully generational using Scale MP-2019 to the SOA Pub-2010 Contingent Survivor Headcount Weighted Mortality Table fully generational using Scale MP-2020.
- Health care trend rates were changed from 7.5% decreasing to 4.5% for health and 3.5% decreasing to 3% for dental to 8% decreasing to 4.5% for health and 4% decreasing to 3% for dental.

The actuarial assumptions used in the June 30, 2021 valuation and the calculation of the total OPEB liability as of June 30, 2021 were consistent with an actuarial experience study performed in 2021.

**Discount Rate** – The discount rate used to measure the OPEB liability was 5.6% for the School Plan. The projection of cash flows used to determine the discount rate assumed that contributions will be made at rates equal to the expected benefit payments. Based on those assumptions, the School Plan’s net fiduciary position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability. The prior measurement date used a discount rate of 5% and a municipal bond rate of 2.66% (S&P Municipal Bond 20-Year High Grade Rate Index).

**OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB**

For the year ended June 30, 2021, the School System recognized OPEB expense of \$456,189. At June 30, 2021, the Town reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$1,335,897	\$321,052
Changes in assumptions	523,646	49,726
Net difference between projected and actual earnings on OPEB plan investments	-	234,470
<b>Total</b>	<u>\$1,859,543</u>	<u>\$605,248</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

**Year ended June 30:**

2022	\$147,026
2023	146,905
2024	147,225
2025	143,458
2026	204,767
Thereafter	464,914

**C. AGGREGATE OPEB AMOUNTS REPORTED IN THE FINANCIAL STATEMENTS**

	<u>Deferred Outflows of Resources – OPEB Amounts</u>	<u>Deferred Inflows of Resources – OPEB Amounts</u>	<u>Net OPEB Liability</u>	<u>OPEB Expense</u>
Town Plan	\$5,590,412	\$3,207,745	\$32,027,634	\$2,174,541
School Plan	<u>1,859,543</u>	<u>605,248</u>	<u>2,686,402</u>	<u>456,189</u>
<b>Total</b>	<u>\$7,449,955</u>	<u>\$3,812,993</u>	<u>\$34,714,036</u>	<u>\$2,630,730</u>

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
*Notes to Financial Statements*  
**June 30, 2021**

**NOTE 13 – SUMMARY DISCLOSURE OF SIGNIFICANT CONTINGENCIES**

The Town participates in various federal financial assistance programs. Amounts received or receivable from grantor agencies are subject to audit and adjustment by the grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Town expects such amounts, if any, to be immaterial

During the ordinary course of its operations, the Town is a party to various claims, legal actions and complaints. The potential liability to the Town, if any, or an evaluation of the outcome of these matters cannot be made at the present time.

**NOTE 14 – RISK MANAGEMENT**

The Town of Narragansett is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors or omissions; injuries to employees; and natural disasters. As a result, the Town and School System participate in a non-profit, public entity risk pool (Rhode Island Interlocal Risk Management Trust, Inc.) which provides coverage for property/liability claims for the Town and School System and workers' compensation claims for the Town. Upon joining the Trust, the Town and School System signed a participation agreement which outlines the rights and responsibilities of both the Trust and the Town/School System. The agreement states that for premiums paid by the Town/School System, the Trust will assume financial responsibility for losses up to the maximum amount of insurance purchased, minus any deductible amounts. The Trust provides this insurance coverage through a pooled, self-insurance mechanism which includes reinsurance purchased by the Trust to protect against large, catastrophic claims above the losses the Trust retains internally for payment from the pooled contributions of its members. The School System has purchased commercial insurance for workers' compensation claims. Settled claims resulting from these risks have not exceeded the Trust or commercial insurance coverage in any of the past three fiscal years.

The School System also participates in a healthcare self-insurance pool administered by WB Community Health (WBCH). WB Community Health is a not-for-profit organization formed to administer health and dental programs for Rhode Island cities, towns and school districts. Upon joining WBCH, each member enters into a member agreement with WBCH that outlines the rights and responsibilities of each member and WBCH.

WBCH is a claims-servicing or account pool, which is an arrangement by which a pool manages separate accounts for each pool member from which the claims and administration costs of each member are paid. This arrangement does not result in the transfer of risk to WBCH or the pooling (sharing) of risk amongst the members of WBCH. The School System is retaining the risk and it recognizes and measures its claims liabilities and related expenses in accordance with GASB Statement No. 10 because the risk of loss has not been transferred to an unrelated third party. The School System's payments of premiums to WBCH are reported as deposits (other assets) and charges

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

for insurance in the Internal Service Fund and the claims paid by WBCH on the School System’s behalf and the administrative costs paid to WBCH are recorded as expenses in the Internal Service Fund and a reduction of deposits in the Internal Service Fund. The premiums are based on “working rates” determined by WBCH based on available funds on deposit and claims experience.

In order to avoid catastrophic losses, the School System purchases specific stop loss re-insurance. Under the stop loss re-insurance, the School System is covered for medical claims in excess of \$200,000 per person per contract period.

The claims liability of \$130,325 reported in the Internal Service Fund at June 30, 2021 is based on the requirements of Governmental Accounting Standards Board Statement No. 10 which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

Changes in the Town’s claims liability for the past two fiscal years were:

	<i>Beginning Fiscal Year Liability</i>	<i>Current Year Claims and Changes In Estimate</i>	<i>Claims Payments</i>	<i>Balance Fiscal Year End</i>
2019-2020	\$77,546	\$2,829,032	\$2,612,279	\$294,299
2020-2021	\$294,299	\$2,768,918	\$2,932,892	\$130,325

**NOTE 15 – PENSION PLANS**

**A. EMPLOYEES' RETIREMENT SYSTEM PLANS**

**Defined Benefit Plan**

**General Information about the Pension Plan**

**Plan Description** - Certain employees of the Narragansett School Department participate in a cost-sharing multiple-employer defined benefit pension plan - the Employees’ Retirement System plan - administered by the Employees’ Retirement System of the State of Rhode Island (System). Under a cost-sharing plan, pension obligations for employees of all employers are pooled and plan assets are available to pay the benefits of the employees of any participating employer providing pension benefits through the plan, regardless of the status of the employers’ payment of its pension obligation to the plan. The plan provides retirement and disability benefits and death benefits to plan members and beneficiaries.

The System issues a publicly available financial report that includes financial statements and required supplementary information for the plans administered by the System. The report may be obtained at <http://www.ersri.org>.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Benefit Provisions** – The level of benefits provided to participants is established by Chapter 36-10 of the General Laws, which is subject to amendment by the General Assembly. Member benefit provisions vary based on service credits accumulated at dates specified in various amendments to the General Laws outlining minimum retirement age, benefit accrual rates and maximum benefit provisions. In general, members accumulate service credits for each year of service subject to maximum benefit accruals of 80% or 75%. For those hired after June 30, 2012, the benefit accrual rate is 1% per year with a maximum benefit accrual of 40%. Members eligible to retire at September 30, 2009 may retire with 10 years of service at age 60 or after 28 years of service at any age. The retirement eligibility age increases proportionately for other members reflecting years of service and other factors until it aligns with the Social Security Normal Retirement Age, which applies to any member with less than 5 years of service as of July 1, 2012. Members are vested after 5 years of service.

The plan provides for survivor's benefits for service connected death and certain lump sum death benefits. Joint and survivor benefit provision options are available to members.

Cost of living adjustments are provided but are currently suspended until the collective plans administered by ERSRI reach a funded status of 80%. Until the plans reach an 80% funded status, interim cost of living adjustments are provided at four-year intervals commencing with the plan year ending June 30, 2016.

The plan also provides nonservice-connected disability benefits after five years of service and service-connected disability benefits with no minimum service requirement.

**Contributions** - The funding policy, as set forth in the General Laws, Section 16-16-22, provides for actuarially determined periodic contributions to the plan. For fiscal 2021, Narragansett School Department teachers were required to contribute 3.75% of their annual covered salary, except for teachers with twenty or more years of service as of June 30, 2012 must contribute 11% of their annual covered salary. The State and the Narragansett School Department are required to contribute at an actuarially determined rate, 40% of which is to be paid by the State and the remaining 60% is to be paid by the Narragansett School Department; the rates were 10.75% and 14.50% of annual covered payroll for the fiscal year ended June 30, 2021 for the State and Narragansett School Department, respectively. The Narragansett School Department contributed \$1,875,045, \$1,845,961, and \$1,679,749 for the fiscal years ended June 30, 2021, 2020 and 2019, respectively, equal to 100% of the required contributions for each year. The State's share of contributions totaling \$1,313,249 for fiscal year 2021 are reflected as on-behalf payments and are included as both revenue and expenditures in the Governmental Funds financial statements.

**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources**

At June 30, 2021, the Narragansett School Department reported a liability of \$21,792,591 for its proportionate share of the net pension liability that reflected a reduction for contributions made by the State. The amount recognized by the Narragansett School Department as its proportionate share of the net pension liability, the related State support and the total portion of the net pension liability that was

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

associated with the Narragansett School Department were as follows:

Narragansett School Department's proportionate share of the net pension liability	\$21,792,591
State's proportionate share of the net pension liability associated with the Narragansett School Department	<u>16,192,429</u>
Total net pension liability	<u><u>\$37,985,020</u></u>

The net pension liability was measured as of June 30, 2020, the measurement date, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2019 rolled forward to June 30, 2020. The Narragansett School Department's proportion of the net pension liability was based on a projection of the Narragansett School Department's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers and the State, actuarially determined. At June 30, 2020 the Narragansett School Department's proportion was 0.68208298%.

For the year ended June 30, 2021, the Narragansett School Department recognized in the Government-Wide financial statements gross pension expense of \$3,621,876 and revenue of \$1,638,693 for support provided by the State. At June 30, 2021, the Narragansett School Department reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

**Deferred outflows of resources:**

Contributions subsequent to the measurement date	\$1,875,045
Change of assumptions	972,856
Differences between expected and actual experience	213,073
Changes in proportion and differences between employer contributions and proportionate share of contributions	728,902
Net difference between projected and actual earnings on pension plan investments	<u>442,433</u>
<b>Total</b>	<u><u>\$4,232,309</u></u>

**Deferred inflows of resources:**

Differences between expected and actual experience	\$424,705
Change of assumptions	507,840
Changes in proportion and differences between employer contributions and proportionate share of contributions	<u>1,309,647</u>
<b>Total</b>	<u><u>\$2,242,192</u></u>

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

\$1,875,045 reported as deferred outflows of resources related to pensions resulting from the Narragansett School Department contributions in fiscal year 2021 subsequent to the measurement date will be recognized as a reduction of the net pension liability in the subsequent period. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<b>Year ended June 30:</b>	
2022	\$(121,428)
2023	88,820
2024	160,821
2025	94,070
2026	(99,385)
Thereafter	(7,826)

**Actuarial Assumptions** - The total pension liability was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.5%
Salary increases	3.0% to 13.0%
Investment rate of return	7.0%

Mortality – Variants of the PUB (10) Tables for Healthy and Disabled Retirees, projected with Scale Ultimate MP16.

The following actuarial assumptions have been changed since the prior measurement date:

- The mortality tables were changed from variants of the RP-2014 Tables, updated to the ultimate rates of the MP-2016 projection scale to variants of the PUB (10) Tables for Healthy and Disabled Retirees, projected with Scale Ultimate MP16.

The actuarial assumptions used in the June 30, 2019 valuation rolled forward to June 30, 2020 and the calculation of the total pension liability at June 30, 2020 were consistent with the results of an actuarial experience study performed as of June 30, 2019.

The long-term expected rate of return best-estimate on pension plan investments was determined by the actuary using a building-block method. The actuary started by calculating best-estimate future expected real rates of return (expected returns net of pension plan investment expense and inflation) for each major asset class, based on a collective summary of capital market expectations from 39 sources. The June 30, 2020 expected arithmetic returns over the long-term (20-years) by asset class are summarized in the following table:

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Asset Class	Long-Term Target Asset Allocation	Long-Term Expected Arithmetic Real Rate of Return
<b>GROWTH</b>

<b>Total</b>	<b>100.00%</b>	

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

These return assumptions are then weighted by the target asset allocation percentage, factoring in correlation effects, to develop the overall long-term expected rate of return best-estimate on an arithmetic basis.

**Discount Rate** - The discount rate used to measure the total pension liability was 7.0 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from the employers will be made at statutorily required rates, actuarially determined. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**Sensitivity of the Net Pension Liability to Changes in the Discount Rate** - The following presents the proportionate share of the net pension liability calculated using the discount rate of 7.0 percent as well as what the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate.

<i>1.00% Decrease</i>	<i>Current Discount Rate</i>	<i>1.00 Increase</i>
<u>(6.0%)</u>	<u>(7.0%)</u>	<u>(8.0%)</u>
\$26,147,662	\$21,792,591	\$16,536,735

**Pension Plan Fiduciary Net Position** - Detailed information about the pension plan’s fiduciary net position is available in the separately issued ERSRI financial report.

**Defined Contribution Plan**

***Plan Description***

Employees participating in the defined benefit plan with less than 20 years of service as of June 30, 2012, as described above, also participate in a defined contribution plan authorized by General Law Chapter 36-10.3. The defined contribution plan is established under IRS section 401(a) and is administered by TIAA-CREF. Employees may choose among various investment options available to plan participants.

Employees contribute 5% of their annual covered salary and employers contribute between 1% and 1.5% of annual covered salary depending on the employee’s total years of service as of June 30, 2012. The employer contribution is split between the State and the school department. Employee contributions are immediately vested while employer contributions and any investment earnings thereon are vested after three years of contributory service. Benefit terms and contributions required under the plan by both the employee and employer are established by the General Laws, which are subject to amendment by the General Assembly.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Amounts in the defined contribution plan are available to participants in accordance with Internal Revenue Service guidelines for such plans.

The Narragansett School Department recognized pension expense of \$118,202 for the fiscal year ended June 30, 2021. For financial reporting purposes, the State's share of contributions totaling \$49,224 for fiscal year 2021 are reflected as on behalf-payments and are included as both revenue and expenditures in the accompanying financial statements.

The System issues a publicly available financial report that includes financial statements and required supplementary information for plans administered by the System. The report may be obtained at <http://www.ersri.org>.

**B. POLICE PLAN**

**General Information about the Pension Plan**

**Plan Description and Administration** – All police officers hired before July 1, 1978 who refused the September 1984 offer to join the Town Plan are covered by the Town of Narragansett's Police Pension Plan which is administered by the Town of Narragansett Pension Board. The Pension Board consists of seven members nominated and appointed by the Town Council. This plan is a single-employer defined benefit pension plan that was established by the Town in accordance with Town Charter and State Statutes. The Town Council has the authority to establish and amend the benefits terms through the adoption of an ordinance. The pension plan is reported as a pension trust fund in the Town's financial statements. The plan does not issue a separate publicly available financial report. The plan is closed to new entrants.

**Plan Membership** – As of July 1, 2020, membership data related to the pension plan was as follows:

Active members	-
Retired and beneficiaries	12
Terminated vested	-
	<u>12</u>

**Benefit Provided** – The pension plan provides retirement, disability and survivorship benefits.

A police officer may retire upon the earlier of attainment of age 65 or the completion of 20 years of credited service. The normal retirement benefit is equal to 50% of final earnings. Retirement benefits are payable in the form of a 67.5% joint and survivor annuity if the participant is married at the retirement date or a life annuity if single.

Death benefits are provided for members with 25 years of service. The surviving spouse shall receive a monthly benefit equal to 67.5% of the member's accrued benefit continuing until his/her death or remarriage.

In the event a member becomes unable to perform active police duty by reason of a clearly proven physical or mental disability, he/she shall be entitled to a monthly pension in the amount of 50% of

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

final earnings in the year of disability.

Benefit terms provide for a 3% compounded, annual cost-of-living adjustment (COLA) to a participant’s retirement benefit for members who retired on or after July 1, 2002. Eligible members receive the COLA beginning on July 1 of the year the member turns 52 years old or July 1 of the year that is the 5<sup>th</sup> anniversary of the member’s retirement, whichever occurs first. Participants who retired prior to July 1, 2002 do not receive COLA adjustments.

**Contributions** – Contribution requirements for the plan are established and may be amended by Town ordinance or union contract. Employees are not required to contribute to the Police Plan since there are no active members. The Town contribution is an actuarially determined amount recommended by an independent actuary. The actuarially determined amount is the estimated amount to finance the costs of benefits earned by plan members during the year, with an additional amount to finance the unfunded accrued liability. The Town contribution for the year ended June 30, 2021 was \$267,000.

**Summary of Significant Accounting Policies**

**Basis of Accounting** – The Police Pension Trust Fund’s financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which employees provide service to the Town. Employer contributions are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

**Method Used to Value Investments** – Investments are reported at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates.

**Investments**

**Investment Policy** – The pension plan’s policy is described in Note 5 – Investments.

**Rate of Return** – For the year ended June 30, 2021, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 27.41%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

**Net Pension Liability of the Town**

The components of the net pension liability of the Town at June 30, 2021 were as follows:

Total Pension Liability	\$2,082,537
Plan Fiduciary Net Position	<u>(1,711,429)</u>
Town’s Net Pension Liability	<u>\$371,108</u>
Plan fiduciary net position as a percentage of the total pension liability	82.18%

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Actuarial Assumptions** – The total pension liability was determined as of June 30, 2021, based on an actuarial valuation performed as of July 1, 2020 rolled forward to June 30, 2021, using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry Age Method
Amortization Method	Closed amortization over average remaining expected lifetime of current retirees
Actuarial Assumptions:	
Inflation	2%
Salary Increases	Not applicable
Investment Rate of Return	7.15%
Mortality	<ul style="list-style-type: none"> <li>• Healthy – PubS-2010 Public Safety mortality table with generational improvements from 2010 based on the SOA Scale MP-2020</li> <li>• Healthy Survivors - Pub-2010 Continuing Survivor mortality table with generational improvements from 2010 based on the SOA Scale MP-2020</li> <li>• Disabled - PubS-2010 Disabled Public Safety mortality table with generational improvements from 2010 based on the SOA Scale MP-2020</li> </ul>
Cost of Living Adjustment	3% for eligible retirees; 0% otherwise

The following changes in actuarial assumptions have been made since the prior measurement date:

- Investment rate of return was changed from 7% to 7.15%.
- The projection scale used with the mortality tables were changed from SOA Scale MP-2019 to SOA Scale MP-2020.

Given the size of the plan, there is not enough data available to conduct a credible experience study. The assumptions are not anticipated to produce significant cumulative actuarial gains or losses over time. The liabilities and data are analyzed each year in order to identify any trends of experience deviating from the actuarial assumptions.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate of ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan’s

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

target asset allocation as of June 30, 2021 (See the discussion of the pension plan’s investment policy in Note 5 – Investments) are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed Income	35%	1.00%
Domestic Equity	50%	5.50%
International Equity	15%	5.00%
Alternatives	0%	2.00%
Cash	0%	0.00%
Total	100%	

**Discount Rate** – The discount rate used to measure the total pension liability was 7.15%. The projection of cash flows used to determine the discount rate assumed that the plan member contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The prior measurement date used a discount rate of 7%.

**Police Plan**  
**Changes in the Net Pension Liability**

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability

**Pension Expense and Deferred Inflows of Resources Related to Pensions**

For the year ended June 30, 2021, the Town recognized pension expense of \$(96,485). The Town reported deferred inflows of resources related to pensions from the following sources:

**Deferred Inflows of Resources:**

Net difference between projected and actual investment earnings	<u>\$265,366</u>
<b>Total</b>	<u><u>\$265,366</u></u>

Amounts reported as deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<b>Year</b>	<b>Ending</b>
<b>June 30,</b>	
<u>2022</u>	\$(72,099)
2023	(67,757)
2024	(65,805)
2025	(59,705)

**C. TOWN PENSION PLAN**

**General Information about the Pension Plan**

**Plan Description and Administration** – All employees who work at least 5 months of a year for at least 20 hours per week, except for school system employees eligible for membership in the Employees’ Retirement System of the State of Rhode Island and any police officers covered by the Police Plan, are covered by the Town of Narragansett’s Town Pension Plan which is administered by the Town of Narragansett Pension Board. The Pension Board consists of seven members nominated and appointed by the Town Council. This plan is a single-employer defined benefit pension plan that was established by the Town in accordance with Town Charter and State Statutes. The Town Council has the authority to establish and amend the benefits terms through the adoption of an ordinance. The pension plan is reported as a pension trust fund in the Town’s financial statements. The plan does not issue a separate publicly available financial report.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Plan Membership** – As of July 1, 2020, membership data related to the pension plan was as follows:

Active members	249
Retired and beneficiaries	230
Terminated vested	26
	505

**Benefit Provided** – The pension plan provides retirement, disability and survivorship benefits.

A municipal employee or school system employee hired prior to July 1, 2015 may retire upon the later of attainment of age 58 or the completion of ten years of credited service; but, in any case, the member can retire immediately after completing 20 years of credited service. Local 1033 employees hired on or after July 1, 2014 may retire upon completion of 25 years of credited service. Council 94 employees hired on or after July 1, 2014 and school employees hired after July 1, 2015 may retire upon the later of attainment of age 65 or the completion of ten year of credited service; but in any case, the member can retire immediately after completing 25 years of credited service. A police officer hired prior to July 1, 2013 may retire upon the earlier of attainment of age 58 or the completion of 20 years of credited service. A police officer hired on or after July 1, 2013 may retire upon the completion of 25 years of credited service. A firefighter hired prior to July 1, 2011 may retire upon completion of 20 years of credited service. A firefighter hired on or after July 1, 2011, may retire upon completion of 23 years from their date of hire with a minimum of 20 years of credited service. A firefighter hired on or after July 1, 2013 may retire upon completion of 25 years of credited service. For all employees hired prior to July 1, 2011, the normal retirement benefit is equal to 2.5% of final average compensation multiplied by years of credited service (subject to a maximum benefit of 75% of final average compensation). For Council 94 and Local 1033 employees hired on or after July 1, 2011, the normal retirement benefit is equal to 2% of final average compensation multiplied by years of credited service up to 20 and 2.5% of final average compensation multiplied by years of service in excess of 20, limited to 14 (subject to a maximum benefit of 75% of final average compensation). For Council 94 and Local 1033 employees hired on or after July 1, 2014 and school employees hired on or after July 1, 2015, the normal retirement benefit is equal to 2% of final average compensation multiplied by years of credited service (subject to a maximum of 75% of final average compensation). Police officers and firefighters hired on or after July 1, 2013 receive a normal retirement benefit equal to 2% of final average compensation multiplied by years of credited service. Final average compensation is the average annual basic compensation during the highest three consecutive years of service. In lieu of the normal form of benefit, any member who is married at the time of retirement may elect a pension that provides, upon the member’s death, for 67.5% of the pension to continue to the dependent spouse or dependent children.

A member who has attained age 55 with 10 years of credited service, or has attained age 50 with 20 years of credited service may elect to retire early. A member who elects to retire early will receive a monthly benefit equal to the actuarial equivalent of the accrued benefit determined as of the normal retirement date.

Beneficiaries of municipal employees receiving death benefits for nonoccupational causes shall be

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

entitled to the greater of a) a refund of employee contributions with interest plus a lump-sum death benefit equal to \$400 times the number of years of credited service (subject to a minimum of \$2,000 and maximum of \$8,000) or b) for municipal employees with 10 or more years of credited service, a refund of employee contributions with interest plus a monthly benefit of 50% of the member's accrued benefit. For occupational causes, the death benefit is a refund of the municipal employee's contributions with interest, plus a benefit equal to 50% of compensation.

Beneficiaries of firefighters or police officers who have completed 10 years of credited service may elect either a refund of employee contributions with interest or a benefit equal to 50% of the member's accrued benefit. Special rules apply for death after meeting eligibility for retirement.

The disability benefit for nonoccupational causes for municipal employees with seven years of credited service but prior to attainment of age 58 is a monthly benefit equal to the greater of:

- a) 2.5% of final average compensation multiplied by years of credited service (subject to a minimum of 25% and a maximum of 50%).
- b) 1-2/3% of final average compensation multiplied by years of credited service (subject to a minimum of 25%).

Disability benefits for nonoccupational causes for firefighters and police officers with seven years of credited service but prior to attainment of age 58 (age 55 for firefighters) is a benefit equal to 2.5% of final average compensation multiplied by years of credited service (subject to a minimum of 25% and a maximum of 50%). Municipal employees, firefighters and police officers disabled due to occupational causes receive a disability benefit equal to 66-2/3% of the annualized rate of compensation determined as the date of disability, reduced by the monthly value of any payments provided for the member under any workers' compensation law.

Retirees receive cost of living adjustments (COLA) as follows:

- a) *Municipal Employees (excluding School System employees)* – who retire on or after July 1, 2002 shall receive annual 3% compounded COLAs beginning on the July 1 of the year that the employee turns 58 years old. Council 94 employees hired on or after July 1, 2014 shall receive annual 3% simple COLAs beginning July 1 of the year the employee turns 58 years old.
- b) *School System Employees* – hired on or after July 1, 2015 shall receive a compounded COLA on each July 1 based on the COLA given to Social Security recipients, if any.
- c) *Firefighters* – who retire on or after July 1, 2002 and before July 1, 2015 shall receive annual 3% compounded COLAs beginning on the July 1 of the year that the firefighter turns 52 years old. Firefighters who retire on or after July 1, 2015 shall receive annual 3% simple COLAs beginning July 1 of the year the firefighter turns 52 years old. The COLA has been suspended for 8 years for active members as of July 1, 2013.
- d) *Police Officers* – who retire on or after July 1, 2002 if employed before July 1, 2013, shall receive annual 3% compounded COLAs beginning on the earlier of July 1 of the year that the employee turns 52 years old or July 1 of the year that is the fifth anniversary of the police officer's retirement. Police officers hired on or after July 1, 2013 shall receive annual 3%

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

simple COLAs at retirement and when eligible. The COLA has been suspended for 8 years for active members as of July 1, 2013.

**Contributions** – Contribution requirements for the plan are established and may be amended by Town ordinance or union contract.

Members are required to contribute a percentage of their pay as follows:

Police	11% of base salary, holiday, incentive and longevity
Fire	11% of base salary, holiday, incentive and longevity
Mid-managers; laborers; clerical	10% of base salary and longevity
Non-union	10% of base salary
School	10% of base salary and longevity
Council 94; Local 1033	11% of base salary

The Town contribution is an actuarially determined amount recommended by an independent actuary. The actuarially determined amount is the estimated amount to finance the costs of benefits earned by plan members during the year, with an additional amount to finance the unfunded accrued liability. The Town contribution for the year ended June 30, 2021 was \$6,268,731.

**Summary of Significant Accounting Policies**

**Basis of Accounting** – The Town Pension Trust Fund’s financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which employees provide service to the Town. Employer contributions are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

**Method Used to Value Investments** – Investments are reported at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates.

**Investments**

**Investment Policy** – The pension plan’s policy is described in Note 5 – Investments.

**Rate of Return** – For the year ended June 30, 2021, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 24.15%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

**Net Pension Liability of the Town**

The components of the net pension liability of the Town at June 30, 2021 were as follows:

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

Total Pension Liability	\$166,107,033
Plan Fiduciary Net Position	(125,232,182)
Town’s Net Pension Liability	\$40,874,851
Plan fiduciary net position as a percentage of the total pension liability	75.39%

**Actuarial Assumptions** – The total pension liability was determined as of June 30, 2021, based on an actuarial valuation performed as of July 1, 2020 rolled forward to June 30, 2021, using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry Age Method
Amortization Method	Closed 20-year level percent of pay amortization
Actuarial Assumptions:	
Inflation	2%
Salary Increases	Age 20-24 - 10%; Age 25-29 – 8%; Age 30-34 - 6%; Age 35-39 - 5%; Age 40-44 – 4.5%; Age 45-54 – 4.25%; Age 55+ - 4%
Investment Rate of Return	7.15%
Mortality	<ul style="list-style-type: none"> <li>• Healthy Public Safety – PubS-2010 Public Safety mortality table</li> <li>• Healthy School - PubT-2010 Teachers mortality table</li> <li>• Healthy All Other Non-Public Safety – PubG-2010 General mortality table</li> <li>• Healthy Survivors - Pub-2010 Continuing Survivor mortality table</li> <li>• Disabled Public Safety - PubS-2010 Disabled Public Safety mortality table</li> <li>• Disabled Non-Public Safety - PubNS-2010 Disabled Non-Public Safety mortality table</li> <li>• All tables with generational improvements from 2010 based on the SOA Scale MP-2020</li> </ul>
Cost of Living Adjustment	<ul style="list-style-type: none"> <li>• School Employees hired on or after July 1, 2015 - 2% once eligible</li> <li>• Other Employees - 3% compounded or simple based on group and date of hire or retirement for eligible retirees</li> </ul>

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

The following changes in actuarial assumptions have been made since the prior measurement date:

- Investment rate of return was changed from 7% to 7.15%.
- Salary increases were changed from 4% to 6% based on age to 4% to 10% based on age.
- The projection scale used with the mortality tables were changed from SOA Scale MP-2019 to SOA Scale MP-2020.

An experience study was performed for the experience over the July 1, 2010 to July 1, 2020 period. Assumptions with credible data to support updates have been implemented. The liabilities and data are analyzed each year in order to identify any trends of experience deviating from the actuarial assumptions.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate of ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2021 (See the discussion of the pension plan's investment policy in Note 5 – Investments) are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed Income	35%	1.00%
Domestic Equity	50%	5.50%
International Equity	15%	5.00%
Alternatives	0%	2.00%
Cash	0%	0.00%
Total	100%	

**Discount Rate** – The discount rate used to measure the total pension liability was 7.15%. The projection of cash flows used to determine the discount rate assumed that the plan member contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The prior measurement date used a discount rate of 7%.

**TOWN OF NARRAGANSETT, RHODE ISLAND**

Other changes	-	-	-
Net changes	3,450,831	24,670,067	(21,219,236)
<b>Balances as of June 30, 2021</b>	\$166,107,033	\$125,232,182	\$40,874,851

**Sensitivity of the Net Pension Liability to Changes in the Discount Rate** – The following presents the net pension liability of the Town, calculated using the discount rate of 7.15%, as well as what the Town’s net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.15%) or 1-percentage point higher (8.15%) than the current rate:

	<b>1% Decrease</b> <b>(6.15%)</b>	<b>Current Discount</b> <b>Rate (7.15%)</b>	<b>1% Increase</b> <b>(8.15%)</b>
Net Pension Liability	\$63,248,460	\$40,874,851	\$22,659,219

**Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

For the year ended June 30, 2021, the Town recognized pension expense of \$4,053,646. The Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**Deferred Outflows of Resources:**

Differences between expected and actual experience	\$255,150
Changes of assumptions	<u>4,247,891</u>
<b>Total</b>	<b><u>\$4,503,041</u></b>

**Deferred Inflows of Resources:**

Differences between expected and actual experience	\$240,336
Changes of assumptions	3,022,611
Net difference between projected and actual investment earnings	<u>9,610,046</u>
<b>Total</b>	<b><u>\$12,872,993</u></b>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<b>Year Ending June 30,</b>	
2022	\$(636,793)
2023	(1,053,338)
2024	(3,323,884)
2025	(3,355,937)

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Financial Statements**  
**June 30, 2021**

**NOTE 16 – UNCERTAINTIES**

The United States and State of Rhode Island declared a State of Emergency in March 2020 due to the global Coronavirus Disease (COVID-19) pandemic. In the weeks and months following the declaration, precautionary measures to slow the spread of the virus were ordered that have affected the Town’s operations in fiscal year 2021. The length of time these measures will be in place and the extent of any future financial impact to the Town are unknown at this time.

**NOTE 17 – RESTATEMENTS**

The Town reported the following restatements in the Government-Wide and Governmental Funds financial statements:

	<i>Governmental Activities</i>	<i>Governmental Funds Other Nonmajor Governmental Funds</i>
Net position/fund balance, June 30, 2020, as previously reported	\$ (9,335,678)	\$ 4,292,982
Adoption of GASB Statement No. 84: Agency funds reclassified to governmental funds based on implementation of GASB Statement No. 84	238,460	238,460
<i>Net position/fund balance, June 30, 2020, as restated</i>	<i>\$ (9,097,218)</i>	<i>\$ 4,531,442</i>

**NOTE 18- OPERATING LEASES**

The Town leases certain equipment under a non-cancellable operating lease expiring in June 2024. At June 30, 2021, future minimum lease payments were as follows:

<u>Fiscal Year Ending June 30,</u>	<u>Payment Requirements</u>
2022	\$ 26,128
2023	26,128
2024	26,128
	\$ 78,384

Rental expenditures for the operating lease for the year ended June 30, 2021 totaled \$26,128.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Required Supplementary Information**  
**June 30, 2021**

**NOTE 2 – PENSION PLANS**

**Employees' Retirement System Plan**

The net pension liability amount presented as of the June 30, 2021 was determined as part of an actuarial valuation performed as of June 30, 2019 and rolled forward to June 30, 2020, the measurement date. Additional information, including actuarial methods and assumptions, is presented in Note 15 A to the financial statements.

The net pension liability amounts presented for each fiscal year were determined as of the June 30 measurement date prior to the fiscal year-end.

The following summarizes the more significant changes in assumptions and benefits and were reflected in the determination of the net pension liability as of the:

***June 30, 2020 measurement date –***

- Updated the underlying mortality tables from the RP-2014 set of tables to the public sector-based PUB (10) tables.
- Increased slightly the probabilities of turnover.
- Decreased slightly the probabilities of retirement.
- Modified slightly the probabilities of disability, including adding material incidence of disability for members in the age ranges that historically have been eligible to retire but under prospective provisions are not.

***June 30, 2017 measurement date –***

- Decreased the general inflation assumption from 2.75% to 2.50%.
- Decreased the nominal investment return assumption from 7.50% to 7.00%.
- Decreased the general wage growth assumption from 3.25% to 3.00%.
- Decreased salary increase assumptions.
- Updated the post-retirement mortality tables to variants of the RP-2014 table. For the improvement scale, update to the ultimate rates of the MP-2016 projection scale.

***June 30, 2015 measurement date –***

The net pension liability for the ERS plan reflects changes in benefits resulting from the settlement of litigation challenging the various pension reform measures enacted in previous years by the General Assembly. The final settlement approved by the Court on July 8, 2015 also included enactment of the pension settlement provisions by the General Assembly. These amended benefit provisions are summarized below:

- Employees with more than 20 years of service at July 1, 2012 will increase their employee contribution rates to 11% for state employees and municipal general employees will contribute 8.25% (9.25% for units with a COLA provision) and participate solely in the defined benefit plan going forward – service credit accruals will increase from 1% to 2% per year.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Required Supplementary Information**  
**June 30, 2021**

- Members are eligible to retire upon the attainment of: age 65 with 30 years of service, 64 with 31 years of service, 63 with 32 years of service, or 62 with 33 years of service. Members may retire earlier if their RIRSA date is earlier or are eligible under a transition rule.
- Employees with more than 10 but less than 20 years of service at July 1, 2012 will receive an increased employer contribution to the defined contribution plan. Also, members who earn less than \$35,000 per year will not be required to pay the administrative fees to the defined contribution plan.
- Members who retired from a COLA eligible plan before July 1, 2012 will receive a one-time cost of living adjustment of 2% of the first \$25,000 paid as soon as administratively possible.
- Retirees as of June 30, 2015 will receive two \$500 stipends; the interim cost of living increases will occur at 4 year rather than 5 year intervals.
- The COLA formula was adjusted to: 50% of the COLA is calculated by taking the previous 5-year average investment return, less 5.5% (5yr Return - 5.5%, with a maximum of 4%) and 50% calculated using previous year's CPI-U (maximum of 3%) for a total maximum COLA of 3.5%. This COLA is calculated on the first \$25,855, effective 01/01/16, and indexed as of that date as well. (The indexing formula is run annually regardless of funding level each year.)
- Minor adjustments were made to the actuarial reduction for employees choosing to retire early.

Employers participating in the Employees' Retirement System are required by RI General Laws, Section 36-10-2, to contribute an actuarially determined contribution rate each year.

The schedules are intended to present ten years of data. Additional years of data will be presented as they become available.

**Police Plan and Town Pension Plan**

The net pension liability amounts presented as of the June 30, 2021 were determined as part of actuarial valuations performed as of July 1, 2020 and rolled forward to June 30, 2021, the measurement date. Additional information, including actuarial methods and assumptions, is presented in Note 15 B and C to the financial statements.

The net pension liability amounts presented for each fiscal year were determined as of the fiscal year-end.

The following summarizes the more significant changes in assumptions and benefits and were reflected in the determination of the net pension liability as of the:

***June 30, 2021 measurement date –***

- Investment rate of return assumption was changed from 7% to 7.15%.
- Salary increases assumption for the Town Pension Plan was changed from 4% to 6% based on age to 4% to 10% based on age.
- The projection scale used with the mortality tables were changed from SOA Scale MP-2019 to SOA Scale MP-2020.

**TOWN OF NARRAGANSETT, RHODE ISLAND**  
**Notes to Required Supplementary Information**  
**June 30, 2021**

***June 30, 2020 measurement date –***

- Investment rate of return assumption was changed from 7.20% to 7%.
- Mortality tables were changed from RP-2014 Blue Collar for public safety, RP-2014 for non-public safety and RP-2014 Disabled for disabled with generational improvements from 2006 based on the 2018 SSA Trustees' Report to variants of the Pub-2010 mortality tables with generational improvements from 2010 based on the SOA Scale MP-2019.

***June 30, 2019 measurement date –***

- COLA assumption for the Town Pension Plan was changed from 3% for eligible employees and 0% otherwise to 2% for School Employees hired on or after July 1, 2015 once eligible and 3% compounded or simple based on group and date of hire or retirement for eligible Other Employees.

***June 30, 2016 measurement date –***

- School System Employees in the Town Pension Plan hired on or after July 1, 2015 shall receive a normal retirement benefit equal to 2% of final average compensation multiplied by years of credited service (subject to a maximum benefit of 75% of final average compensation) upon the later of age 65 or the completion of 10 years of credited service or at any age after the completion of 25 years of credited service.
- School System Employees in the Town Pension Plan hired on or after July 1, 2015 shall receive a compounded COLA on each July 1 based on the COLA given to Social Security recipients, if any.
- Firefighters in the Town Pension Plan who retire on or after July 1, 2015 shall receive annually a 3% simple COLA beginning on the July 1 of the year that the firefighter turns 52 years old, subject to the 8 year COLA suspension as of July 1, 2013.

**Notes to Required Supplementary Information**  
**June 30, 2021**

**NOTE 3 - BUDGETARY DATA AND BUDGETARY COMPLIANCE**

In accordance with the Town’s Charter, the Town has formally established budgetary accounting control for its General Fund and Enterprise Funds. It is the responsibility of the Town Manager to submit the proposed budgets to the Town Council. The General Fund budget includes the Municipal budget and School Department’s total budgeted Town appropriation. The proposed School Department budget is approved by the School Committee prior to being presented to the Town Manager. The Town Council may then revise and adopt a recommended General Fund budget including changes to the School Department’s total appropriation. At least two public hearings are conducted on the Town Council recommended budgets and the final recommended budgets are legally enacted through an ordinance by the Town Council prior to the start of the fiscal year. The General Fund’s annual operating budget is not in conformity with accounting principles generally accepted in the United States of America. The budget to actual presentation in the financial statements for the General Fund is presented on a budgetary basis. The difference between the budgetary basis and the accounting principles generally accepted in the United States of America basis is explained below.

Appropriations in addition to those contained in the annual operating budget require Town Council approval. Amendments to the operating budgets that do not result in additional appropriations may be made within a department by means of a transfer. The Town Manager has authority to make such transfers within departments. Transfers made outside the departmental level require Town Council approval. All unencumbered appropriations lapse at the end of the fiscal year.

The table below shows the amounts by which certain municipal department expenditures exceeded fiscal year 2021 appropriations:

<u>Department</u>	<u>Expenditures In Excess of Budget</u>
Town solicitor	\$ 13,855
Human resources	17,371
Town clerk	24,073
Tax assessor	196,992
Emergency management	13,825
Inspection services	15,811
Engineering	15,528

***Explanation of Differences between Budgetary Revenues, Expenditures, and Other Financing Sources and Uses and GAAP Revenues, Expenditures, and Other Financing Sources and Uses***

<b><u>Revenues and Other Financing Sources</u></b>	<b><u>General Fund</u></b>
Actual amounts (budgetary basis)	\$62,742,187
Differences – budget to GAAP:	
The pension contributions made to the Employees Retirement System by the State on behalf of the Town of Narragansett is not reported as budgetary revenue, but is a revenue for financial reporting purposes.	1,362,473
Unbudgeted revenues not included for budgetary purposes, but included for financial reporting purposes.	5,148,387
Transfer from other funds included as revenues for budgetary purposes, but not included for financial reporting purposes.	<u>(148,300)</u>
<b><i>Total revenues and other financing sources as reported on the statement of revenues, expenditures and changes in fund balances – governmental funds</i></b>	<b><u>\$69,104,747</u></b>
<b><u>Expenditures and Other Financing Uses</u></b>	<b><u>General Fund</u></b>
Actual amounts (budgetary basis)	\$59,579,424
Differences – budget to GAAP:	
The pension contributions made to the Employees Retirement System by the State on behalf of the Town of Narragansett is not reported as a budgetary expenditure, but is an expenditure for financial reporting purposes.	1,362,473
Unbudgeted expenditures and transfers to other funds not included for budgetary purposes, but included for financial reporting purposes.	<u>3,316,762</u>
<b><i>Total expenditures and other financing uses as reported in the statement of revenues, expenditures and changes in fund balances – governmental funds</i></b>	<b><u>\$64,258,659</u></b>

## **OTHER SUPPLEMENTARY INFORMATION**

**The information provided herein contains schedules which the Town deems necessary to provide additional disclosures.**

### **THIS SECTION CONTAINS THE FOLLOWING:**

- **Combining Fund Financial Statements for Nonmajor Governmental Funds**
- **Combining Fund Financial Statements for Pension Trust Funds**
- **Combining Fund Financial Statements for Other Post-Employment Benefit Trust Funds**
- **Combining Fund Financial Statements for Private Purpose Trust Funds**
- **Other Supplementary Information**

**COMBINING FUND FINANCIAL STATEMENTS -  
NONMAJOR GOVERNMENTAL FUNDS**

**THE FOLLOWING FUNDS OF THE TOWN  
ARE REPORTED IN THIS SECTION:**

**Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specific purposes other than debt service and capital projects.**

**The Capital Projects Funds account for and report financial resources that are restricted, committed, or assigned to expenditures for capital facilities and other capital assets outlays, including the acquisition and/or construction of capital items, except those financed by the Proprietary Fund Types or Trust Funds.**

Reportable Government Services with  
MTP2 Notes  
Fiscal Year Ended June 30, 2021

Notes to Supplementary Information – *Annual Supplemental Transparency Report (MTP2)*

NOTE 1. Basis of Presentation

The *Annual Supplemental Transparency Report (MTP2)* is a supplemental schedule required by the State of Rhode Island General Laws 45-12-22.2 and 44-35-10. This supplementary schedule included within the annual financial statements is part of a broader project to create a municipal transparency portal (MTP) website to host municipal financial information in a centralized location.

The format of the Annual Supplemental Transparency Report (MTP2) was prescribed by the State Department of Revenue (Division of Municipal Finance), Office of the Auditor General, and the Department of Education.

NOTE 2. Reportable Government Services

Data consistency and comparability are among the key objectives of the State's Municipal Transparency portal. Consistent with that goal, the State has defined "reportable government services", RGS, to include those operational revenues, expenditures, and transfers related to activities which are essential to the achievement of municipal operations. The determination of RGS may be different from the activities included within the legally adopted budget of the municipality. In practice, some communities report certain RGS in separate funds (e.g., special revenue funds, enterprise funds) rather than the municipality's general fund. The Annual Supplemental Transparency Report (MTP2) includes a reconciliation to the fund level statements.

NOTE 3. Allocations

The State reporting requires expenditures to be reported by departments, as defined by the State. Some of the departmental groupings are not consistent with the departments reflected in the Town's budget and accounting system. To report these costs, the Town made allocations of costs to the State's departmental groupings based on a reasonable basis.

NOTE 4. Employee Groups - Compensation and Benefit Costs

Compensation includes salaries, longevity, stipends, clothing allowance/maintenance, shift differential, out-of-rank, holiday pay and bonuses.

For Public Safety departments (i.e., police, fire, and centralized dispatch) and the Education Department, compensation and most benefits costs are reported in the following employee groupings:

Group A: This group consists of employees who serve the primary function of the department.

- Police Department - police officers (e.g., uniform personnel - including, leadership positions)
- Fire Department - fire fighters (e.g., uniform personnel - including, leadership positions)
- Centralized Dispatch Department - civilian dispatchers only
- Education Department - professional staff providing direct services to students
- For the remaining departments - all employees' compensation and benefits are reported under Group A

Group B: For Police and Fire Departments, compensation and benefits paid to its administrative employees and civilian dispatch employees are reported under Group B. The Education Department reports compensation and benefits paid to executive/mid-level educational administration employees under Group B.

Group C: This group is only used for the Education Department and it includes administrative and support staff.

Other post-employment benefits (OPEB) are not reported by employee groups on the MTP2. They are reported in total as either (1) contributions to a qualified OPEB trust or (2) the amount paid for medical and dental insurance for retirees when an OPEB trust fund has not been established. The detail employee group information for the Education Department can be found on the State's Municipal Transparency portal website.

NOTE 5. Education Revenue and Expenditures

The revenues and expenditures presented on the MTP2 under the Education Department is consistent with existing Uniform Chart of Accounts (UCOA) guidelines. Each MTP account code has been mapped to the corresponding UCOA code or group of UCOA codes to facilitate the preparation of the MTP reporting.

Additional guidance and definitions regarding the State's Municipal Transparency Portal can be found on the State Division of Municipal Finance website: <http://www.municipalfinance.ri.gov/>.

## STATISTICAL SECTION

**The Statistical Schedules differ from other financial statement presentations because they generally disclose more than one fiscal year and may present non-accounting data such as social and economic data and financial trends of the Town.**

***REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS***

***Independent Auditor's Report***

To the Honorable President and  
Members of the Town Council  
Town of Narragansett, Rhode Island

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Narragansett, Rhode Island, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Town of Narragansett, Rhode Island's basic financial statements, and have issued our report thereon dated February 3, 2022.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Town of Narragansett, Rhode Island's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Narragansett, Rhode Island's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Narragansett, Rhode Island's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Town of Narragansett, Rhode Island's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
