Tel. (401)782-0619

DEPARTMENT OF BUILDING INSPECTION

**PRIOR TO ISSUING A DEMOLITION PERMIT THE FOLLOWING ITEMS
MUST BE SUBMITTED TO THIS OFFICE FOR REVIEW**

1. All utilities (gas, electric, water, sewer, cable and phone) must be disconnected and confirmation from the utility companies must be submitted to this office in writing. TOWN OF NARRAGANSETT WATER CUSTOMERS MUST ALLOW THE WATER DEPARTMENT TO ACCESS THE DWELLING TO REMOVE THE WATER METER PRIOR TO DEMOLITION.
2. A letter from a certified asbestos testing agency or engineer must be submitted to this office in writing that there is no asbestos in the building being demolished. A copy of the negative sample report is required.
3. A copy of the demolition contractors Certificate of Liability Insurance with the Town of Narragansett as the certificate holder.
4. A check for the cost of the demolition. (This check will be made payable to the Town of Narragansett) (This check will not be cashed unless the debris from the demolition is not removed from the site.)
5. If a building permit has not been applied for and approved, a letter must be submitted to the Town stating the following: (The issuance of a demolition permit does not obligate the Town of Narragansett to issue a building permit unless all new Zoning Regulations are strictly followed.)(This letter must be signed by the homeowner.)
6. Please contact this office once the building is demolished and the site is cleaned of all construction material and debris.
7. Your bond check will be returned once an inspection is scheduled and conducted by this office.
