Re: Complaint Audit 2024

The following is the annual audit of the complaints investigated during the 2024 calendar year. The audit includes the following: Formal complaints, where the complainant submitted a signed complaint form and cooperated with the investigation. Informal complaints, where the information was provided to the department, but cooperation was limited, and no signed complaint was submitted. Finally, internal complaints initiated by officers or ranking members of the department. Internal complaints are considered formal complaints.

There was a total of five (5) Internal Affairs Investigations in 2024. This was four (4) less than the previous year's number of nine (9) in 2023.
