

Town of Narragansett
Building Inspection

Permit fees for plumbing

- (1) Twenty dollars for minor repair work up to and including one thousand dollars (\$1,000.00),
- (2) Forty-five (\$45.00) dollars for proposed plumbing construction or alteration, with an additional fee of (\$5.00) dollars per fixture proposed in the approved plan for construction or alteration
- (3) Thirty (\$30.00) dollars for each reinspection of plumbing work caused by the failure of the licensee to comply with the provisions of the code or permit issued;
- (4) Five (5%) percent of the estimated value of the completed plumbing work for multi-dwellings, apartment houses, hotels, motels, commercial and industrial buildings.

** There is also \$1.00 per thousand based on the estimated cost CE/ADA charge for the State.
